

Sixth Grade Science - Mr. Wion - Room 113

Welcome to Curriculum Night! Welcome to 6th grade Science!
My name is Mike Wion and I am looking forward to an exciting year at BWIS! I know that working together we can help make this a year of growth and success for your child/children.

My goal is to create a classroom environment that will help students:

- Build a solid science vocabulary
- Gain a strong understanding of key scientific principles and topics
- Use mathematics to solve scientific problems
- See science as worthwhile and meaningful in everyday life
- See how science is related to other classes
- Develop critical thinking skills and the ability to think creatively and solve real-life problems
- Identify Ohio wildlife and Ohio contributions to science

Curriculum

- Science Inquiry
- Science Fair Opportunities
- Earth Science - Minerals, Rocks, and Soil
- Physical Science - The Nature of Matter, Potential and Kinetic Energy, and Linear Motion
- Life Science - Cells

6th Grade Outdoor School

Sixth graders will have the opportunity to attend Heartland Outdoor School this year. The trip will be April 30 – May 3, 2019. It provides a great educational experience. Information regarding the trip will be sent home throughout the year. Please contact me with any questions you have. Heartland's website is: heartlandoe.com

Communication

If you have a concern or question please contact me. E-mail is the quickest way to contact me but feel free to send in a note or give me a call.

- My e-mail address is: mikewion@bwls.net
- The office number is 740-965-7800 and my extension is 3113.
- I do use “remind 101” at times to send reminders or notifications. Please follow the instructions on the remind sheet if interested.
- The Intermediate School Website is:
bwls.net/bigwalnutintermediateschool_home.aspx

Please visit the website and click on “**Online Classrooms.**”

This allows you to check assignments, projects, and messages I have posted. You will also find information for Outdoor School here.

You can check grades through Parent Portal. You will find this in the Parents/Community section of our school’s website. The office can provide you with login information.

I look forward to a great year with you!

Thanks for all that you do!

Sincerely,

Mike Wion
