Letter from the Principals

Dear Parent/Guardian,

On behalf of the entire staff, welcome to the 2019-2020 school year. It is essential that parents read the Student Handbook and that students are made aware of its contents. We encourage your active involvement in your child's education. A strong partnership between home and school can greatly benefit your child as he/she grows and matures. We are looking forward to this school year as we inspire and guide each student to his or her maximum potential. Best wishes for a successful school year!

Sincerely,
Big Walnut Intermediate & Elementary Principals

Foreword

The Big Walnut Local School District (BWLSD) Student Handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year and to provide specific information about certain board policies and procedures. Please take time to become familiar with the important information contained in this handbook and keep the handbook available for reference. Please note that the majority of information in our handbooks is standardized and applies to all students K-12. This Student/Parent Handbook is based in significant part on policies adopted by the Big Walnut Local School District Board of Education and Administrative Guidelines developed by the Superintendent. The policies and administrative guidelines are periodically updated in response to changes in the law and other circumstances. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal. This handbook replaces all prior handbooks and other written material on the same subjects. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Copies of current board policies and administrative guidelines are available from the building principal and on the district's website.

District Information Sources

Big Walnut offers a variety of ways to keep up with important news and information on our school district: • Website: www.bwls.net • Notification System: To subscribe or to manage your account, visit the homepage of the district website and sign up for Eagle-i. • Social Media: Facebook, Twitter, and Instagram.

School Closings

In the event of inclement weather, school delays and closings will be posted online at www.bwls.net. Delay and closing information will also be reported using the district's automated phone system, the email notification system, the local television stations, and the radio stations. There may be times when it is necessary to dismiss school during the day because of an emergency. In such instances, parents will be contacted using the district's automated phone system. Parents are urged to make arrangements with a neighbor or friend so that their child will have a place to go in case of an emergency if a parent/adult is not home.

Safer Schools Ohio

Big Walnut Local Schools uses the Safer Schools Ohio anonymous tip line for students and families to share information with school officials and law enforcement about threats to student safety -- whether that involves a threat of a mass incident or harm to a single student. To report a concern, call or text 1-844-SAFEROH (1-844-723-3764). The system will send your anonymous report to the appropriate people to address the concern.

Federal/State/Local Compliance

The Big Walnut Local School District complies with federal laws that prohibit discrimination in programs and activities receiving federal assistance. Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin. Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of

handicap. Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex. The Age Discrimination Act of 1975 prohibits discrimination on the basis of age. Big Walnut Local Schools also complies with the Family Education Rights and Privacy Act of 1994 and grants parents/guardians the right to examine children's official school records. Inquiries regarding unlawful discrimination may be directed to the principal of the building or the district compliance officer.

information for marketing, sales, or other distribution purposes. The Big Walnut Local School District will directly notify parents and eligible students of these policies at least annually, at the start of each school year, and after any substantive changes. The Big Walnut Local School District will also notify parents and eligible students annually at the start of each school year of the specific or approximate dates of the following activities and provide an opportunity to opt a student out of participating in:

Technology

Technology Acceptable Use & Internet Safety Policy

(Board Policy 7540.03) - STUDENT AND FACULTY NETWORK AND INTERNET ACCEPTABLE USE AND SAFETY

- The focus of this document is on Internet usage but applies to all computer usage at Big Walnut Local Schools.
- All students, faculty, staff, continuing education students, and support staff will be referred to as "USER" or "USERS".
- Internet access is available to users at the Big Walnut Local Schools.
- The goal of the Big Walnut Local School District is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.
- The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Users may have access to the following:
 - A. Electronic mail communications with people all over the world.
 - B. Information and news from many educational institutions as well as scientific and governmental agencies.
 - C. Public domain software and shareware of all types.
 - D. Discussion groups on a broad range of topics.
 - E. Access to University catalogs, the Library of Congress, and on-line public libraries.

With access to computers and people all over the world comes the availability of material that may not be considered to be of educational value in the context of the school setting. Big Walnut Local Schools has taken precautions to restrict access to controversial

materials. However, on a global network, it is impossible to control all materials, and users may discover controversial information. The District believes that the valuable information and interaction available on this network far outweighs the possibility that users may produce materials that are not consistent with the educational goals of our District.

Internet access is coordinated through a complex association of government agencies and regional and State networks. In addition, the smooth operation of the network relies upon the proper conduct of end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general, this requires efficient, ethical, and legal utilization of the network resources. If a user violates any of these provisions, his or her account may be terminated and future access could possibly be denied. All parties acknowledge that their signature on the Handbook Awareness statement is (are) legally binding and indicate the party (parties) who signed has (have) read the terms and conditions carefully, understand(s) their significance, and agree to such terms and conditions.

Terms and Conditions

- A. Acceptable Use - The purpose of access to the Internet is to support research and education in and among academic institutions in the U.S. by providing access to unique resources and the opportunity for collaborative work. The use of your account must be in support of education and research and consistent with the educational objectives of the District. Use of another organization's network or computer resources must comply with the rules that are appropriate for that network. Transmission of any material in violation of any U.S. or State law is prohibited.
 - 1. This includes but is not limited to downloading copyrighted material; transmitting threatening or obscene material; or accessing, appropriating, and/or employing material that constitutes confidential or trade secret information. Use of Internet access for commercial activities is generally not acceptable. Use for product advertisement or political lobbying is also prohibited.
- B. Privileges - The use of the Internet is a privilege, not a right; and inappropriate use will result in cancellation of those privileges. The system administrator can recommend removal of access until reviewed by school administration. The administration, faculty, and staff of the Big Walnut Local Schools may request the system administrator to investigate possible violations.
- C. Network Etiquette - You are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to the following:
 - 1. Be polite. Do not get abusive in your messages to others.
 - 2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
 - 3. Do not reveal your personal address or phone numbers to other users.
 - 4. Know that electronic mail (e-mail) is not guaranteed to be private. People who operate the system do not have access to all mail. The systems administrator will monitor e-mail. Any messages related to or in support of illegal activities may be reported to the authorities.

5. Do not use the network in such a way that it would disrupt the use of the network by other users.
 6. All communications (including e-mail) and information accessible via the network should be assumed to be private property, unless it is very clearly marked as being available for use or distribution.
 7. Illegal activities are strictly prohibited.
 8. Keep your password confidential. Do not give your password to anyone for any reason. You are responsible for it and will be held accountable.
 9. If you subscribe to a listserv, plan on checking your mail on a regular basis.
 10. The regular and routine use for private or personal for-profit business such as, for example, the advertising of goods or services for purchase or sale, is not an acceptable use.
- D. No user shall have any expectation of privacy with respect to any information transmitted through or stored on District computers and related equipment and storage media. The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages you suffer. This includes, but is not limited to, loss of data resulting from delays, non-deliveries, misdeliveries, or service interruptions no matter how caused. Use of any information obtained via the Internet is at your own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services. No user shall access any fee based system.
- E. Security - Security on any system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Internet, you must notify the system administrator. Do not demonstrate the problem to other users. Do not use another individual's account under any circumstance. Attempts to login to the network as a system administrator may result as cancellation of privileges. Any user identified as a security risk or having a history of misusing other computer systems may be denied access to the network.
- F. Vandalism - Vandalism may result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data or to intrude in the network or data of another user, Internet, or any other network, including the above listed agencies or other networks that are connected to the Internet backbone. This includes the Local Area Network at Big Walnut Local Schools and any computer owned by the District.

Attendance (Board Policy 5200)

Section 3321.04 of the Ohio Revised Code provides that every parent, guardian, or other person having charge of any child of compulsory school age must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the full time the school attended is in session. Such attendance must begin within one week of the date on which the child begins to reside.

The State Department of Education, Section 3321.0 of the Ohio Revised Code and House Bill 410 have formulated the following rules and regulations, which govern the past absences of students from school. The child's parent or legal guardian must communicate explanation of the child's absence to the school office by phone the day of the absence and by written note upon the student's return to school. If there is no notification provided within ten days then it is an unexcused absence/tardy. If a student will be absent for twenty or more consecutive school days, the parents must contact the principal to explore the possibility of home instruction.

A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, forty-two (42) or more hours in one school month, or for seventy-two (72) or more hours in one school year.

In order to address the attendance practices of a student who is habitually truant, the school may take any of the following intervention actions:

- Assign the student to a truancy intervention plan
- Provide counseling to the student
- Request or require the student's parent to attend a parental involvement program
- Request or require the parent/guardian attend a truancy prevention mediation program
- Notify the Registrar of Motor Vehicles of the student's absences
- Take appropriate legal action

Absence Reporting Procedure

If your child does miss school, parents need to notify the school by 9:30AM for elementary and 8:30AM for the Intermediate School. If the school is not notified, the school must attempt to contact parents at home or work. This is a result of the Missing Child Act passed in April 1985. Parents need to provide notification and reason for absence within ten school days.

Excused Absences

1. School activities (will be reviewed on a case by case basis).
2. Doctor or dentist appointments (note from the health care provider required).
3. Absences where a doctor has indicated the student should not attend school. In this case, a doctor's note will be necessary. The note must specify the exact dates that the

individual should have been absent from school. Personal illness not requiring a doctor's note requires parent notification.

4. **Students missing 65 or more hours of school must provide a doctor's note. Absences in excess of 65 hours that are not documented by a doctor's note or approved pre-planned absence will result in an unexcused absence.**
5. Confinement to a hospital, clinic, or a similar health related institution
6. Funerals / death / emergency in the family
7. Court appearances
8. Religious holidays
9. Quarantine of the home
10. Reasons subject to principal approval
11. Bus missing stop

Unexcused Absences

1. Truancy
2. Oversleeping
3. Car problems / late ride / missing the bus
4. Out-of-school suspensions
5. Other absences as determined by the administration

Pre-Planned Absences

Parents must obtain a "PRE-PLANNED ABSENCE REQUEST FORM" from the office when known in advance that a child will not be attending school (i.e. family vacation, participation in the Delaware County Fair, etc). The form is to be completed by the parents and submitted to the office for principal approval at least two days before the pre-planned absence. Work may be given in advance and will be due upon the student's return. Other work will be kept for the student during the course of the absence. That work will be due within the same number of days as the length of the absence. Please note that absences not authorized according to attendance policies and procedures will be counted as unexcused.

Arrival and Sign Out Times

Students leaving and returning within the same school day will have their absence calculated based on the time out.

Tardiness

Any students who are not in their assigned classroom when school officially begins for the day will be counted tardy. Habitual tardiness to school will be referred to the attendance officer for follow-up. Excessive violations may result in Juvenile Court proceedings.

Early Dismissal/Transportation Changes

For your child's safety and protection, students are not to leave the school or playground during the school day without special permission. Any students leaving during the school day will ONLY be dismissed from the office. If your child's transportation will change, please notify your child's office at least an hour before dismissal. If a child will be accompanying another student on the bus or picked up with another student, notification

must be received from BOTH sets of parents. Changes in bus transportation will be subject to approval based on availability.

Make-Up Work

Students are given the same number of days as the length of the illness to complete and turn in make-up work. For example, a child absent three days from school would be given three days upon his/her return to complete and turn in the missed work.

If your child is absent and you would like to receive missed work, prior to your student's return, please contact your child's school office regarding this possibility.

Extracurricular Participation

Guidelines for extracurricular participation as a result of illness or other absences are as follows:

1. If a student is ill and does not come to school, he/she should not attend extracurricular activities that evening.
2. If a student leaves school anytime during the day as a result of illness, he/she is not to return for the extracurricular activity that evening.

Withdrawal from School

Parents/Guardians are required to complete the BWLS Student Withdrawal Notice Form in the office of attendance to initiate the withdrawal process in Big Walnut. This signed form may be used to begin the process until at least one of the following preferred documentation methods are provided: 1) a signed withdrawal form from a responsible party outside the district that includes the last date attended in the district and the name of the new district/school 2) documentation of notification from an ODE system that the student has enrolled in another Ohio district 3) a hard copy or electronic records request from the new district/school with the date enrolled in the new school and/or the date the request was received. Parents/Guardians need to provide their new mailing address and contact information.

Academic Achievement

School Fees and Instructional Materials (Board Policy 6152)

School fees for the 2019-2020 school year are \$55.00 per student. Fees are due at the beginning of the school year. School fees are used for the annual purchase of consumable items (i.e. workbooks) and software subscriptions for individual students. Payments may be made using our online payment system on the district website: www.bwls.net, a credit card transaction at school, or by sending a check to school. Invoices will be sent on a monthly basis. Until fees are paid, students may not participate in Eagle Extensions. School fees are waived for those students who qualify for Free Lunch. Those students who qualify for Reduced Lunch will pay \$27.50 per student.

Students are responsible for instructional materials loaned to him or her, and are expected to return instructional materials at the end of the course. Students will be responsible to pay for any instructional materials that are damaged, lost, or stolen.

Field Trips (Board Policy 2340)

Field trips are an opportunity to participate in educational experiences beyond the regular classroom. Only classroom students and adult chaperones are permitted on field trips. Adult chaperones will be required to have a successful background check, prior to supervising any students on the trip. Permission slips signed by a parent or guardian must be on file in the office prior to the date of the trip. A telephone call giving permission is not a signed permission slip. Field trips are a privilege, not a right. A student's attendance and attitude are key factors in determining his/her participation in these educational opportunities. Students on all district-sponsored trips remain under the district's administrative guidelines.

Reporting Student Progress (Board Policy 5420)

Student academic progress will be reported to parents on consistent intervals throughout the year. Parent conferences and PowerSchool will be provided to keep parents informed of student progress. *PowerSchool* is the online tool that may be used by Big Walnut Local Schools to report grade information. This allows parents access to their child's academic progress.

Big Walnut implements a Response to Intervention (RtI) model to meet the needs of all students. Each student is universally screened in the areas of literacy and math three times per year. Data teams that are comprised of various professionals including but not limited to classroom teachers, intervention staff, and the school principal look at student data to determine the needs of students to receive support in academics and/or behavior. Throughout these interventions, the student's progress is monitored and will be communicated to the parents. If the educational team, which also includes the parents, has a concern about a lack of or stalled progress, a switch in intervention may be made or further conversation of meeting the student's needs may occur.

Gifted Identification and Services (Board Policy 2464)

The State of Ohio requires gifted identification, however, it does not mandate comprehensive services for children identified as gifted. Big Walnut Local Schools follow the state term of "gifted" as students who perform or show potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment and who are identified following procedures and criteria established by the Ohio Revised Code, Section 3324.03.

If you wish to find out more about the "Big Walnut Policy and Plan for the Identification of Children Who Are Gifted" or "Gifted Education Services and Eligibility Criteria", please contact your child's school or the Big Walnut District office to obtain additional information.

Academic Promotion & Retention (Board Policy 5410)

The promotion/retention of a student in any grade level should always be in the best

interest of the student. The first consideration for student retention is the inability to meet at least minimum levels of knowledge and skills at his or her grade level. However, academics will not be the sole factor in the determination of retention. The student's age, maturity level, emotional and social development, and attendance will also be considered. Retention shall occur only if it is viewed as an opportunity for student growth. If deemed necessary, it should occur as early as possible in a student's educational program.

Student Assessment (Board Policy 2623)

Big Walnut Local Schools follows requirements for all state mandated testing and assessments. Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests help the staff determine instructional needs. Classroom tests are given to assess student progress and assign grades. These are selected or prepared by teachers to assess student achievement on specific objectives.

Parent/Teacher Conferences (Board Policy 5420)

Parent/Teacher conferences are scheduled multiple times throughout the year. Conference times will be arranged through your child's teacher. Conferences may be arranged at other times throughout the year by request of the parent, teacher, or building principal.

Emergency Medical Authorization Form (Board Policy 5341)

Parent/Guardians are required by state law to complete an Emergency Medical Authorization Form. These are kept on file in the school office. This form must be on file in order for a student to participate in an activity off school grounds, including field trips, athletic and other extracurricular activities. The Emergency Medical Authorization is provided at the time of enrollment or each school year and must be completed every school year thereafter. Please note when listing person(s) as emergency contacts, it is recommended that those contacts are in close vicinity of the school building in the event that the student would need to be picked up from school if you are unable to be reached.

Dispensing Medication (Board Policy 5330)

Big Walnut Board of Education wishes to cooperate fully with students, parents, and

medical professionals to ensure that students receive any required medication during the normal school day at the time which it is required, however it is ideal that medications be given at home if at all possible. Guidelines have been established to ensure to maintain the control of authorized drugs within the schools and to ensure the health and welfare of student.

A “ MEDICATION ADMINISTRATION FORM” must be on file in the office for any **prescribed** or **over the counter medication (OTC)** to be dispensed to your child. OTCs include but are not limited to pain medication (Tylenol, Advil, etc.), cold medication (Mucinex, Sudafed, etc.), cough drops, and essential oils. Medication brought to school must be in the original container and must be brought to school by a parent or parent designee. Medication cannot be sent to school with the student. Prescription medications must be kept in pharmacy container with the student’s name and match the physician’s written orders on the Medication Administration Form. For over the counter medications, the dosing must match manufacturer’s suggested dosing. All medication will be stored in a secure location in the office and dispensed by the principal or his/her designee. A medication log is maintained in the office including student name, type of medication, date and time medication is administered, amount provided and the expiration date of the medication.

In some instances, students are permitted to carry certain prescription medications (ie epinephrine) with them while in school or attending a school sponsored function. If the physician feels that is medically necessary for the student to carry the medication, the physician must provide documentation providing authority to do so. If the student requires emergency medication to be kept at school, the appropriate Emergency Action Plan is to be completed and signed by the physician and parent/guardian. If the student is found to use the emergency medication in an inappropriate manner, Administration has the authority to confiscate the medication and notify parents and the physician to arrange for alternative means of administration.

Medical Plans must be provided to school every year or anytime a change has occurred. The plan must be signed by a physician.

Any medication that is not picked up by the parent/guardian at the end of the school year, will be appropriately destroyed by the district nurse.

Medical forms are available in the school office or on our district website at www.bwls.net, expire at the end of the school year.

Any student who distributes medication of any kind or who is found in possession of unauthorized medication is in the violation of the Big Walnut Local School’s Code of Conduct and will be disciplined in accordance with the drug-use provision of the Code.

Student Illness

Your child needs to be free of vomiting, diarrhea and/or fever-free (less than 100.5) without medications for 24 hours before they can come or return to school. Students with

an unexplained rash will need a note from a physician stating that they are not contagious and may attend school. Students will be sent home with any of these symptoms, in order to prevent spreading illness among our students and staff. If you have any questions or concerns, please feel free to contact District Nurse, Megan Truax.

If your student is transported to school by bus, the bus drivers should also be provided with this information. Each year each school building and the Food Service must have an updated statement from your physician documenting the specific food allergy and acceptable substitutes in order to make accommodations within the National School Breakfast and/or Lunch Program.

Food Brought to School

Safety of our students is a top priority each day. Non food treats are a safer, healthier alternative. In an effort to further promote the safety of all students, the following guidelines are now in place:

1. All food items brought in for students, besides your child(ren), must be purchased from a store, individually packaged, and labeled with ingredients. Food from home is NOT permitted to be given to other students.
2. Food items being brought/sent in for other students must be nut-free (no peanuts, tree nuts, etc.).
3. Food items also need to have the nutritional content label.
4. Food items being brought/sent in for other students cannot be processed in facilities that process nut products (as noted on any labels).
5. We strongly encourage celebrating special days with non-food items. There are many ideas that can be found by doing a quick search on the internet. Please

communicate your idea with the classroom teacher.

6. Grade level teams and/or individual teachers may have more specific requirements, based on the needs of their students. These requirements will be communicated to you by each team/teacher as needed.
7. The building reserves the right to prohibit any food items from being brought into school.

Latex Free Environment

Harassment, intimidation, or bullying behavior by any student/school personnel in the Big Walnut Schools is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. Harassment, intimidation, or bullying, in accordance with House Bill 276, mean any intentional written, verbal, graphic or physical acts including electronically transmitted acts i.e., internet, cell phone, or wireless hand-held device, either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule or humiliate. Anti-Harassment Policy Title VI (Board Policy 5517)

The Board's policy of nondiscrimination extends to students, staff, job applicants, the general public and individuals with whom it does business and applies to race, color, national origin, citizenship status, religion, gender, economic status, age or disability. The Board does not permit discriminatory practices and views harassment as a form of discrimination. Harassment is defined as intimidation by threats of or actual physical violence; the creation, by whatever means, of a climate of hostility or intimidation; or the use of language, conduct or symbols in such a manner as to be commonly understood to convey hatred, contempt or prejudice or to have the effect of insulting or stigmatizing an individual. Employees or students who engage in discrimination/harassment of another employee or student shall be subject to disciplinary action. Permission, consent or assumption of risk by an individual subjected to discrimination/harassment does not lessen the prohibition contained in this policy. No one shall retaliate against an employee or student because he/she files a grievance; assists or participates in an investigation, proceeding or hearing regarding the charge of discrimination of an individual; or because he/she has opposed language or conduct that violates policy.

School's Right to Search (Board Policy 5771)

If there are reasonable grounds for suspecting that the search will turn up evidence that the student is committing a violation of law or of school rules, the principal or designee may search the student and/or the student's personal possessions. Lockers may be searched by school officials at any time.

Video Surveillance (Board Policy 7440.01)

In-School Intervention (Board Policy 5610.02)

In-school Intervention will provide a practical alternative to out-of-school suspension for less serious infractions as determined by the administration. This program will remove disruptive students from the classroom while providing a continuing educational program and an opportunity to change inappropriate behavior. They will be marked as present for school for the days they are in ISI. They are required to complete their regular school work and will receive up to 100% credit for work completed while in ISI.

Student Due Process (Board Policy 5611)

No student shall be suspended, expelled, or removed from school except in accordance with the code adopted by the Big Walnut Board of Education. In the event that a suspension or expulsion is necessary, the student has the right to a hearing with the administrator imposing the discipline to give an account of the incident and/or to challenge the reasons for the suspension or expulsion. All witnesses are sworn and verbatim record is kept of the hearing which may be held in executive session at the request of the student or his/her parent(s). The student shall have the right to have representation at the hearing. The student may be excluded from school during the appeal process.

Dress Code and Appearance (Board Policy 5511)

Dress is the responsibility of the student and parent. When dress and grooming disrupt the learning process for the individual student, other students, or the learning climate of the school, it becomes a matter of administrative action involving the student and/or parent. Big Walnut Local School District students are expected to maintain a high standard of behavior, and each student is encouraged to dress in a manner that is appropriate. The building administrator or designee may exclude any student, when, in his/her judgment, apparel is not consistent with the standards established below:

1. Hats, head coverings, bandanas, sweatbands, and sunglasses should only be worn outside the building unless approved by building principal or designee.
2. Appropriate footwear must be worn for safety and sanitation reasons. Examples of

unacceptable footwear include flip flops, slippers, and loose fitting footwear that cannot safely and securely remain on the student's feet. Shoes must cover heels.

3. Clothing must be safe for school activities. Examples of inappropriate apparel include but are not limited to: halters, midriff tops, crop tops, spaghetti strap tops, strapless tops, revealing and/or see through tops, open mesh garments, garments with open sides which expose skin or undergarments.

Lower garments should not allow any portion of the undergarments to be exposed when the student sits, stands, raises his/her hand, or bends over. No form fitting shorts of any kind may be worn unless worn completely under a shirt/dress.
5. Patches, insignias, buttons, jewelry, clothing, or other items that include obscene, violent, gang, tobacco, drug or alcohol related writing or images are not acceptable. Items of clothing that belittle others may not be worn (i.e., race, religion, gender, etc.)

School Transportation (Board Policy 8600)

The Big Walnut transportation system is operated as a convenience and service for the students of the Big Walnut School District. The primary purpose of the system is to transport students safely to and from school. Safety is the key concept around which the system operates. Safety is the motivating force behind the operational policies, rules, and regulations. Efficiency is also a basis for rules and regulations. Some of the following rules and regulations have grown from policies of the Big Walnut Board of Education. Others are state laws as found in the Ohio Revised Code (ORC) 3301-83-08, and still others formulated by the Ohio Department of Education.

15. Guidelines will be formulated for the use and storage of equipment and other means of assistance required by preschool and special needs children.

Drivers and bus aides must have access to appropriate information about the child to the degree that such information might affect the safe transportation and medical well-being. This information must be available in the vehicle or readily accessible in the transportation office.

Suspension of Transportation Privileges (Board Policy 5610.04)

When a student is being considered for suspension of bus riding/transportation privileges, the administrator in charge will notify the student of the reason. The student will be given an opportunity to address the basis for the proposed suspension at an informal hearing. After that informal hearing, the principal [or assistant principal or other administrator] will decide whether or not to suspend his/her bus riding/transportation privileges for all or part of the school year. If a student's bus riding/transportation privileges are suspended, the student and his/her parents will be notified in writing within one school day of the reason for and the length of the suspension.

Bus Passes

Due to the fact that the buses are operating at capacity load, the school may NOT be able to honor notes requesting that students ride a different bus. Students will only be transported to and from their place of residence or, if arrangements have been made in advance, to their childcare provider. Bus drivers will work with students, parents and administrators to ensure safety.

General Information

Animals in School and on District Property (Board Policy 8390)

Animals permitted in schools and elsewhere on District property shall be limited to those necessary to support specific curriculum-related projects and activities with administrative approval, those that serve as service animals as required by federal and state law, or those that conduct random searches for illegal substances. The student's need for and use of a service animal must be documented in the student's individual education plan (IEP) or Section 504 Plan. A service animal is the personal property of the student and/or parents. The Board of Education does not assume responsibility for training, daily care, health care, or supervision of service animals. The Board of Education does not assume responsibility for personal injury or property damage arising out of or relating to the presence or use of service animals on District property or at District-sponsored events.

District Safety Plan (Board Policy 8400)

In case of an emergency, district personnel will follow the District Emergency Operations

Plan. This plan specifies steps to be followed should an emergency arise that threatens the well-being of students, staff and the public while utilizing school property. In addition to the steps outlined in the District Emergency Operations Plan, our staff routinely trains on many of these procedures. The drills include fire, tornado, and lockdown drills. In the event of a lockdown, parents will be notified via email, text, phone, and/or the district website. If the situation causes a delay in the start of the school day or a change in release time, parents will be notified using the district's automated calling system.

Food Service (Board Policy 8500)

Students in full-day kindergarten and grades 1-6 may purchase a lunch from the cafeteria. Student breakfast for K-6 is \$1.50 and lunch for K-4 is \$2.75 and 5-6 is \$2.95. Payments may be made using our online payment system on the district website: www.bwls.net, a credit card transaction at school, or by sending a check to school. Students are permitted up to three (3) school lunch charges once their accounts are depleted. Lunch charges do not include ala carte items. Once a student has charged a school lunch three (3) times, he/she will be provided with a sandwich and drink for lunch.

Students gain access to their personal account with a Personal Identification Number (PIN). This system is used for all purchases including full meals, ala carte and milk. Accounts remain active until graduation or withdrawal from the district. Students who fraudulently use a debit account or deny payment for food items will be responsible for repayment, disciplined and may be prosecuted. The school lunch includes a main entrée, milk, choice of fruits and vegetables, and often a dessert. A variety of ala carte items are always available.

Applications for the Free and Reduced-Price Meal Program are distributed to all students at the beginning of each school year. If you would like an application to this program, please contact your child's school.

Fundraising Activities (Board Policy 5830)

Student fundraising by approved school organizations, those whose funds are managed by the Treasurer, may be permitted in school by the principal. Student fundraising by approved school organizations off school grounds may be permitted under administrative guidelines of the Superintendent. Contact your building principal with any questions.

Lockers (Intermediate School Only)

Each student is responsible for his or her combination lock for his or her hallway locker. The combination lock will be provided to the homeroom teacher. Lockers should be kept locked at all times. Students should not reveal their locker number/combination verbally or visibly, or they cannot expect their property to be safe. Lockers must be cleaned every nine weeks. Lockers should be kept clean inside and out. Gummed labels; stickers, and/or pictures are not to be displayed inside or outside of the locker. Markers (including dry erase markers) may not be used on lockers. Damage caused by misuse will be charged to the student responsible. If a school supported (e.g. team spirit poster) locker display is placed on the locker, it must have prior administrative approval and only masking tape must be used.

Lost and Found

Found items are kept in a lost and found location. Found items that are identified with the child's name will be returned. With this in mind, please remember to label your child's clothing. Parents and students are encouraged to check the Lost and Found for missing items. Items not claimed will be given to a charitable organization.

Classroom Celebrations

Various school celebrations are planned during the year by classroom teachers and the PTO. Birthdays are special - ask your child's teacher for specific guidelines on treats and times for the class. Delivery of flowers, balloons, and/or clowns is prohibited during the school day.

*Please refer to the section titled "Food Brought to School" for guidelines on what food is appropriate for these events.

Playground Safety

All items brought from home need to be approved by the classroom teacher and/or recess aide for safety and appropriateness (e.g., balls, jump ropes, etc.). Children should be properly clothed for daily outside play. Children are sent outside for recess when the temperature is 25° Fahrenheit or above, including the wind chill, and playground conditions permit safe play. We encourage all students to go outside for recess on outside recess days. We understand that children with asthma or those returning after a serious illness may need to occasionally stay in. If your child needs to stay inside, please send a note from home. If the need to stay in is longer than two days, you will need to provide us with a doctor's note specifying the reason.

Riding Bikes/Scooters/Skateboards to School (Board Policy 5514)

The Board of Education regards the use of bicycles/scooters/skateboards for travel to and from school by students as an assumption of responsibility on the part of those students -- a responsibility in the care of property, in the observation of safety rules, and in the display of courtesy and consideration toward others. The Board will permit the use of bicycles/scooters/skateboards by students in accordance with the administrative guidelines of the Superintendent. The Board will not be responsible for bicycles which are lost, stolen, or damaged.

Staff Gifts (Board Policy 3214)

It is the policy of the Board that staff members may accept gifts of nominal value (generally considered a value of \$25 or less) from students or parents. The Superintendent may approve acts of generosity to individual staff members in unusual situations. However, at no time may a staff member accept compensation from any other source, other than the Board, for the performance of his/her official duties, any other act or service in his/her public capacity, for the general performance of the duties of his/her public employment, or as a supplement to his/her public compensation.

Toys & Novelties

Toys and novelties should stay at home except with principal permission. Any item that resembles or can be used as a weapon may not be brought to school.

Vacationing Parents

Each year some of our parents go on trips or vacations, leaving their children with friends or family. The school needs certain information in case of an emergency.

Before parents leave on vacation, the school must have a **notarized** medical consent form including:

1. Child's name
2. Name, address and telephone number of responsible adult
3. Length of time the responsible person is in charge
4. Parent's signature and date
5. Any pertinent medical history or allergies not already included in required paperwork

Visitors (Board Policy 9150)

Visitors are welcome at school. In order to properly monitor the safety of students and staff, each visitor must report to the school office upon entering the school to sign in and obtain a visitor's pass. Visitors will be required to provide a driver's license or other form of identification. Any visitor found in the building without a visitor badge will be asked to return to the office.

In order to protect our educational process, we ask that visitors and volunteers respect our learning environment and minimize the disruption of learning by remaining in scheduled areas. If parents wish to meet with a member of the staff, they should call for an appointment prior to coming to the school, in order to prevent any inconvenience to parents/staff or disruption of the learning process. Students may not bring visitors to school without first obtaining permission from the building principal.

Volunteers (Board Policy 4120.09)

All volunteers who work with children on a regular basis need to display appropriate behavior at all times and will be required to provide a successful background check, prior to working with students.
