### QUOTE OF THE MONTH:

"It's essential we prepare students  
for the world they will live in and  
not the one we grew up in."  
David Geurin in *Future Driven*.

Dear Souders' Families,

What a great first week of school! Preparing for the school year is always fun, exciting, and a little nerve racking. This year we had 31 new students enroll in our building. How exciting to have new families moving to our district! Our students did a great job welcoming those students and making sure the students felt included.

This year we will not be sending home breakfast and lunch menus with students. Breakfast and lunch menus are available online and those menus also include nutritional information. Take a few minutes to look at the website for additional information.

Families should have received information about Schoology. Schoology will be our main means of sending information to families. If you have not been able to log in, please contact Mrs. Wolfe in our office. Since we are new to Schoology, we are still working through some pieces.

Thank you,  
Mr. Cox, Principal

1st Day Smiles!
