PreK

QUOTE OF THE MONTH:

The most important day of a
person's education is the
first day of school, not
graduation day.

Harry Wong

Dear Souders' Families,

Happy August! Parents are our partners in ensuring student success. To build this partnership, we will provide timely information through the district and building websites. We publish a newsletter that is available electronically. Should you desire a paper copy of the newsletter, just contact the office. The newsletter contains important dates and upcoming events as well as news from our classrooms. Newsletters are sent on Friday.

We also use a parent notification system that allows us to send messages to our entire building, smaller groups of students (for example, one grade level or students on bus 12), or staff. Please ensure your contact information is current to ensure you do not miss important information. Also, please mark your calendar for important back to school dates. Those dates are listed at the left.

This year class placements and bus assignments will not be mailed home. This information will be posted on Powerschool August 8.

I look forward to working with you. Please contact me with any questions or concerns. My office telephone number is 740 965-3200 and my school email address is mattcox@bwls.net.

Thank you,
Mr. Cox, Principal
