Dear Souders Parents:

Mr. Heck does a version of name that tune as one of his opening lessons.. Students then write new words to the tune, "Row, row, row your boat...". He shared one group's new song:

"Back, back, back to school, falling asleep in class, you wake up in the principal's sitting on his desk."

Coming back to school is a big transition for students, families, staff, and even the principal. We are off to a great start. Let us know how we can partner with you to make this a great school year.

Thanks,
Mr. Cox

Quote of the Week:

"Simply put, we must find a way to make students want the change, instead of forcing it on them."

Nathan Maynard in *Hacking School Discipline*.

A reminder that we will NOT have a curriculum night event on August 29. Rather teachers will be posting information through Schoology. Please contact our office if you have questions. We welcome feedback on our new format.
