ES Phase 1 : Recommendation

- Big Walnut ES
- General Rosecrans ES
- Hylen Souders ES
- Prairie Run ES

This map shows planning blocks used for building elementary zones. The planning blocks seen here were developed as tools for grouping students by geographic area in order to examine potential boundary configurations. The blocks are labeled using black numbers highlighted in pink. The top number shows the planning block ID, the bottom number shows the number of K-4 students living in the planning block.
