Are you looking for a way that you can make a positive impact in Big Walnut Schools? The district is in high need of substitute custodians and bus drivers. If interested, please visit the job postings at www.bwls.net/EmploymentOpportunities.aspx. Training will be provided to all substitutes - potential drivers will receive all training necessary to meet licensing requirements for drivers. If you have any questions, please contact Ron McClure at 740-965-8967.

Dear Souders Families and Friends:

We had our final evening of conferences last night. That does not mean we are not willing to meet as needed. Should you have a concern, please reach out to the staff member closest to the situation. Depending on the situation, that could be teacher, intervention specialist, bus driver, instructional facilitator, nurse, principal or others. We are here for you. We appreciate your help in supporting our students.

Have a great weekend,

Mr. Cox
