Dear Souders Families and Friends:

Join us from 5:30-7:00 pm on Thursday, January 24th, for a night of Fairy Tale Fun! This year our STEM and Literacy Nights will be held together! This is a great opportunity for families to have fun while seeing how much STEM and Literacy go together. Please RSVP by sending back the bottom portion of the flyer that was sent home on January 4th. We hope you will be able to join us!

As a reminder, February conferences are approaching and are by invitation only per teacher recommendation. If you have any concerns about your child's progress don't hesitate to reach out to your child's teacher. Every family will get a letter to indicate whether or not a conference is needed at this time.

Thanks,
Mr. Cox

SidebySide Ministries is a community organization who comes along beside our Big Walnut neighbors whenever we can. We are partnering with Otterbein University to start a community ESL class for anyone who would like to improve the English-speaking skills. We created a survey to gauge the communities interest in this offering. If you are interested, please navigate to the URL below to take the survey. We are also planning a community gathering in February for any families interested in this class. More information about this gathering will come in the future.
