May 21: PBIS Assembly and
Movie

May 22: Supergames

May 23: Last Day of School, 4th
Grade Clap Out, Report Cards
sent home with students

Dear Souders Parents:

In an effort to simplify the logistics of running field day, we have decided to change the format for participation. Students will continue to learn the specific skills related to track and field during physical education class. The difference this year is that all students will be qualifying during class. The fastest timed students within each kindergarten, first, second, third and fourth grade classes will then participate in a school-wide event for "field day" on May 17. The events will begin at 1:30. Awards will still be given to every student who qualifies to run in the event. Parents are welcome to attend the finals. We will not need parent volunteers this year..

Mr. Hefner

3rd grade students representing Hylen Souders at recorder concert.

Attention 4th Grade Parents, please join us for an informational meeting on Tuesday, May 14th from 6-7pm at BWI.

Quote of the Week:

"We often decide that an outcome is extremely unlikely or impossible, because we are unable to imagine any chain of events that could cause it to occur." Amos Tversky

In an effort to protect student privacy and better communicate with our families, next year's class lists and transportation information will be shared directly with parents instead of being posted on the school's front doors. This information will be available through your child's PowerSchool account prior to the start of the school year.

Kindergarten class lists will be posted on August 16.

Please contact our office with any questions or to update that information.

Are you looking for a way that you can make a positive impact in Big Walnut Schools? The district is in high need of substitute custodians and bus drivers. If interested, please visit the job postings at www.bwls.net/EmploymentOpportunities.aspx.

Training will be provided to all substitutes - potential drivers will receive all training necessary to meet licensing requirements for drivers. If you have any questions, please contact Ron McClure at 740-965-8967.
