For PreK, K, 1 and 3

November 6:
Picture retakes

November 13:
PTO Meeting

Dear Souders Families,

Our intervention team continues to make Hylen Souders a better place. These fabulous teachers are working with the students in small groups, in the classroom, co-teaching, and collaborating with teachers. These amazing ladies are inspiring and guiding everyday, helping Big Walnut meet the 2020 vision! Meet Miss Hawk, Mrs. Curtin, Mrs. Frissora, Mrs. Gallo, Mrs. Waszil, and Mrs. Beck.

Attention parents of 4th grade girls!

Hylen Souders Elementary is excited to announce that it will continue to offer ROX (Ruling Our eXperiences) which is a small group opportunity for girls to come together to explore some of the big issues impacting girls today like confidence, developing healthy friendships, body image and media pressure, dealing with stress, and violence prevention. Please look for a purple permission form that is coming home if your daughter would like to participate. Space is limited to 10, 4th grade girls and spots fill up fast! This is a FREE program and girls will meet with their facilitator, Megan Duran, School Psychologist, once a week during their lunch time. Please call Mrs. Duran with any other questions 740-965-8966 or go to <https://rulingourexperiences.com/what-we-do/> for more information.

Quote of the Week:

“There are few places where we cannot treat people with love and respect in spite of how we are being treated.”

James C. Hunter in *The Servant*

Our schools continually strive to maintain a safe, respectful, and welcoming learning environment for our students. With that in mind, it is important to remind our community that there are limitations to having animals on school property. Board Policy 8390 outlines permissions only to include animals being used for an educational purpose, which are prior approved by building administration, and certified service animals, in accordance with Federal and State law. Please help us maintain a safe environment by leaving family pets at home when attending school functions, athletic events, or visiting a school. Thank you for your cooperation.

Student Drop Off and Pick Up

Please follow instructions from Mr. Hefner and Mr. Heck when dropping off or picking up students. Their top priority is safety. Remember they will open the doors for each student. Please help them keep our students safe.
