Dear Souders Families,

This week's classroom highlight comes from our physical education teacher, Mr. Scottie Hefner:

In Physical Education classes, your 3rd and 4th grade children have been developing skills and knowledge pertaining to team handball, a fast moving, high scoring game where throwing and catching skills are critical and understanding movement to open spaces are vital to success.

Grades K-2 have been busy learning the techniques associated with underhand and overhand throws and games to refine these skills.

Additionally, all students continue to develop a working understanding of cardiovascular, strength and flexibility concepts.

Quote of the Week:

People do not seek to avoid other emotions with the same energy the seek to avoid regret."

Veterans Day Assembly

We will be honoring our Souders connected Veterans and active military family members on November 12th. We would like to put together a slide show of all the brave men and women from the Souders community who have served our country. Please send a digital photograph of anyone in your family who has served, or is currently serving, in any branch of the military. Email your photos along with the name of the person in the photograph to lauragallo@bwls.net

Looking for a fun part time job? Big Walnut Schools Food Service Dept is looking for energetic and fun loving individuals to work in our Cafés. We are currently hiring a 2.5 hour position at General Rosecrans ES, and a 2.00 hour position at BW High School. We are also in need of Food Service Substitutes. Please apply on the District's website at www.BWLS.net by going to the Food Service link.

Since the 2017-2018 school year was such a success, the Hylon Souders PTO will continue to host "Eat and Earn" fundraisers for the 2018-2019 school year!
