October 19:
No School

October 26:
Harvest Parties

November 6:
Picture retakes

November 13:
PTO Meeting

First grade students participate in project based learning. These projects involved 21st century skills including collaborating, communicating, designing, reflecting, and revising.

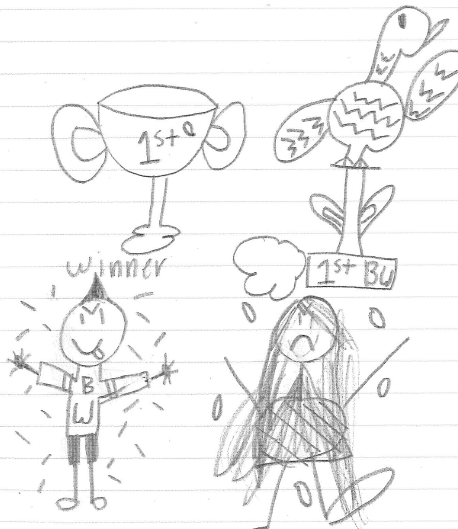

These students created an apple boat using only toothpicks, apples, and construction paper.

The students worked together to create a superhero tower to help the superhero see over the city using only popsicle sticks and play-doh.

Hi Student Council is doing our coin wars project don't forget about bringing in money we want to beat BWe, remember we want to win the trophy! It starts October 1st!

In an effort to better support the students of military members in our community, Big Walnut Local Schools started an initiative to identify and inform teachers of the military-connected students in their classrooms and the special considerations they should receive. Once identified, additional resources and supports available specifically to military connected students will be provided to the student's teachers. If you or another immediate family member serves in the armed forces (active duty, reserve, or national guard) please click on the link below to fill out the Military Connected Student Information Form.

Thank you in advance for your time.

Quote of the Week:
"Your school's success is largely determined by the quality of relationships in your school. Stronger relationships=stronger schools." David Guerin in Future Driven.
