Big nut Strut

Dear Souders Families and Friends:

Please join us for a community forum to provide feedback on draft options for new elementary attendance zones. We will be explaining options and criteria for new attendance zones for the opening of Prairie Run Elementary (2020) and the conversion of the current intermediate building to an elementary (opening 2023). Stay tuned for a video of the options and a feedback survey, which will be available on our district website after the meeting.

What: Elementary Redistricting Community Forum
 Where: Big Walnut High School Innovation Center
 When: Monday, September 30 at 6:00 pm

Let me know if you have any questions.

Thanks,
Mr. Cox

Quote of the Week:

“You climb your way to high standards, you don’t start there.”
Brian Kight

In STEM students are practicing 21st-century skills through various activities! Kindergarten and first are working on communicating and collaborating through a cup stacking activity and fourth-graders created a presentation and are sharing them in small groups.

If you have not done so already, please join our Souders Family Group on Schoology. The group code is: P96H-962M-XXF77

I plan to post updates and information 1-2 times a week.

Schoology Help Desk @ the Community Library

- September 23, 6:00-7:00pm
- September 25, 4:00-5:00pm
- September 27, 9:00-10:00am
- October 1, 5:00-6:00pm
