Foreword

The Big Walnut Local School District (BWLSD) Student Handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year, and to provide specific information about certain board policies and procedures. Please take time to become familiar with the important information contained in this handbook and keep the handbook available for reference. Please note that the majority of information in our handbooks is standardized and applies to all students K-12. This Student/Parent Handbook is based in significant part on policies adopted by the Big Walnut Local School District Board of Education and Administrative Guidelines developed by the Superintendent. The Policies and Administrative Guidelines are periodically updated in response to changes in the law and other circumstances. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal. This handbook replaces all prior handbooks and other written material on the same subjects. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Copies of current board policies and administrative guidelines are available from the building principal and on the district's website.

Federal/State/Local Compliance

The Big Walnut Local School District complies with federal laws that prohibit discrimination in programs and activities receiving federal assistance. Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin. Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of handicap. Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex. The Age Discrimination Act of 1975 prohibits discrimination on the basis of age. Big Walnut Local Schools also complies with the Family Education Rights and Privacy Act of 1994 and grants parents/guardians the right to examine children's official school records. Inquiries regarding unlawful discrimination may be directed to the principal of the building or the district compliance officer.

Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents and students who are 18 or emancipated minors ("eligible students") certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education.

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, antisocial, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a student out of –

1. Any other protected information survey, regardless of funding;
2. Any nonemergency, invasive physical exam or screening required as a condition of attendance administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings,

or any physical exam to screening permitted or required under State law; and

3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

Inspect, upon request and before administration or use –

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

The Big Walnut Local School District will develop and adopt policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The Big Walnut Local School District will directly notify parents and eligible students of these policies at least annually, at the start of each school year, and after any substantive changes. The Big Walnut Local School District will also notify parents and eligible students annually at the start of each school year of the specific or approximate dates of the following activities and provide an opportunity to opt a student out of participating in:

1. Collection, disclosure, or use of personal information for marketing, sales or other distribution.
2. Administration of any protected information survey not funded in whole or in part by the U.S. Department of Education.
3. Any nonemergency, invasive physical examination or screening as described above.

Parents/eligible students who believe their rights have been violated may file a complaint with:

Family Educational Rights and Privacy Act (FERPA)

The following rights are afforded parents and students over 18 years of age (“eligible students”) under The Family Educational Rights and Privacy Act:

1. The right to inspect and review the student’s education records within 45 days of the day the school received a request for access. Parents or eligible students should submit to the school principal (or the principal’s designee) a written request that identifies the record (s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and location where records may be inspected.
2. The right to request an amendment of the student’s education records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write the school principal (or the principal’s designee), clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or

eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except that FERPA authorizes disclosure without consent.
4. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; as person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Big Walnut Local School District to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:

Technology Acceptable Use & Internet Safety Policy

7540.03 - STUDENT AND FACULTY NETWORK AND INTERNET ACCEPTABLE USE AND SAFETY

- The focus of this document is on Internet usage but applies to all computer usage at Big Walnut Local Schools.
- All students, faculty, staff, continuing education students, and support staff will be referred to as "USER" or "USERS".
- Internet access is available to users at the Big Walnut Local Schools.
- The goal of the Big Walnut Local School District is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.
- The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Users may have access to the following:
 - A. Electronic mail communications with people all over the world.
 - B. Information and news from many educational institutions as well as scientific and governmental agencies.
 - C. Public domain software and shareware of all types.
 - D. Discussion groups on a broad range of topics.
 - E. Access to University catalogs, the Library of Congress, and on-line public libraries.

With access to computers and people all over the world comes the availability of material that may not be considered to be of educational value in the context of the school setting. Big Walnut Local

Schools has taken precautions to restrict access to controversial materials. However, on a global network, it is impossible to control all materials, and users may discover controversial information. The District believes that the valuable information and interaction available on this network far outweighs the possibility that users may produce materials that are not consistent with the educational goals of our District.

Internet access is coordinated through a complex association of government agencies and regional and State networks. In addition, the smooth operation of the network relies upon the proper conduct of end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general, this requires efficient, ethical, and legal utilization of the network resources. If a user violates any of these provisions, his or her account may be terminated and future access could possibly be denied. The signature(s) at the end of this document is (are) legally binding and indicate the party (parties) who signed has (have) read the terms and conditions carefully, understand(s) their significance, and agree to such terms and conditions.

Terms and Conditions

- A. **Acceptable Use** - The purpose of access to the Internet is to support research and education in and among academic institutions in the U.S. by providing access to unique resources and the opportunity for collaborative work. The use of your account must be in support of education and research and consistent with the educational objectives of the District. Use of another organization's network or computer resources must comply with the rules that are appropriate for that network. Transmission of any material in violation of any U.S. or State law is prohibited.
 - 1. This includes but is not limited to downloading copyrighted material; transmitting threatening or obscene material; or accessing, appropriating, and/or employing material that constitutes confidential or trade secret information. Use of Internet access for commercial activities is generally not acceptable. Use for product advertisement or political lobbying is also prohibited.
- B. **Privileges** - The use of the Internet is a privilege, not a right; and inappropriate use will result in cancellation of those privileges. The system administrator can recommend removal of access until reviewed by school administration. The administration, faculty, and staff of the Big Walnut Local Schools may request the system administrator to investigate possible violations.
- C. **Network Etiquette** - You are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to the following:
 - 1. Be polite. Do not get abusive in your messages to others.
 - 2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
 - 3. Do not reveal your personal address or phone numbers to other users.
 - 4. Know that electronic mail (e-mail) is not guaranteed to be private. People who operate the system do not have access to all mail. The systems administrator will monitor e-mail. Any messages related to or in support of illegal activities may be reported to the authorities.
 - 5. Do not use the network in such a way that it would disrupt the use of the network by other

users.

6. All communications (including E-MAIL) and information accessible via the network should be assumed to be private property, unless it is very clearly marked as being available for use or distribution.
 7. Illegal activities are strictly prohibited.
 8. Keep your password confidential. Do not give your password to anyone for any reason. You are responsible for it and will be held accountable.
 9. If you subscribe to a listserv, plan on checking your mail on a regular basis.
 10. The regular and routine use for private or personal for-profit business such as, for example, the advertising of goods or services for purchase or sale, is not an acceptable use.
- D. No user shall have any expectation of privacy with respect to any information transmitted through or stored on District computers and related equipment and storage media. The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages you suffer. This includes, but is not limited to, loss of data resulting from delays, non-deliveries, misdeliveries, or service interruptions no matter how caused. Use of any information obtained via the Internet is at your own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services. No user shall access any fee based system.
- E. Security - Security on any system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Internet, you must notify the system administrator. Do not demonstrate the problem to other users. Do not use another individual's account under any circumstance. Attempts to login to the network as a system administrator may result as cancellation of privileges. Any user identified as a security risk or having a history of misusing other computer systems may be denied access to the network.
- F. Vandalism - Vandalism may result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data or to intrude in the network or data of another user, Internet, or any other network, including the above listed agencies or other networks that are connected to the Internet backbone. This includes the Local Area Network at Big Walnut Local Schools and any computer owned by the District.

1:1 Device Loan Agreement

Each student has been given a school-issued device to improve and personalize his/her education. The school-issued mobile device is an important learning tool and is to be used for educational purposes. It is essential that the following guidelines be followed to ensure the safe, efficient, and ethical operation of this device. Violating any of the responsibilities below may result in disciplinary action.

- One device and power cord are being lent to the student and are in good working order. It is the student's responsibility to care for the equipment and ensure that it is retained in a safe environment. (Reference page 4)
- This equipment is, and at all times remains, the Property of Big Walnut Local Schools and is lent to the student for educational purposes.
- The student will report any issues associated with the device (damage, loss, etc.) IMMEDIATELY to the administration, teacher, and/or Tech Squad. No attempts by outside

parties will be made to repair the device.

- District identification labels have been placed on the device. These labels are not to be removed or modified. Additional stickers, labels, tags, or markings of any kind are not to be added to the device.
- The student should bring the fully-charged device to school every day.
- A student shall not install, use, or modify any computer technology (hardware, software, peripherals, connections, etc.) provided by the school without authorization from school authorities.
- One user has been assigned to this device for the exclusive use of that student. The student agrees to make no attempts to change or allow others to change the privileges and capabilities of this user account.
- The student will not lend the device to anyone, including friends or siblings; it will stay in the assigned student's possession at all times.
- The student will keep all assigned accounts and passwords secure and will not share these with any other individual.
- When using the device at home, at school, or anywhere else, the student will follow the policies of Big Walnut Local Schools, especially the Student Code of Conduct and the Acceptable Use and Internet Safety Policy (Policy 7540.03), and abide by all local, state, and federal laws. Inappropriate use of the device may result in disciplinary action.
- Email and/or other electronic communication within the school district is for appropriate, legitimate, and responsible purposes only. No student shall have the expectation of privacy. Network and school administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly.
- The Big Walnut network is provided for the academic use of all students and staff. The student agrees to take no action that would interfere with the efficient, academic use of the network. Big Walnut network administrators reserve the right to control and limit usage and bandwidth.
- Parents and/or guardians are responsible for the supervision of student usage outside of the school day.
- The equipment will be returned when requested by Big Walnut Local Schools, or sooner, if the student withdraws from Big Walnut Local School District prior to the end of the school year. In the event that a student does not return the device, Big Walnut Local School District, at its discretion, may bill the student or parent/guardian for the replacement cost of the device or initiate police investigative action.

Bring Your Own Technology (BYOT)

Big Walnut Local Schools is committed to preparing all students and teachers to maximize learning by fully integrating relevant technology into academic content to acquire, share and evaluate information, achieve media and technology literacy, and maintain a safe and ethical environment. A first step is to develop and implement a plan allowing students to bring their own digital devices to school. As part of this plan, BWLS will implement a program that will allow students to access our guest wireless network using their own technology tools during the learning day. With classroom teacher approval, students may use their own devices in the classroom to access and save information from the internet, communicate with other learners, and use productivity tools provided by Big Walnut Local Schools. Added benefits of this plan will allow future access to digital textbooks and increase access to learning content.

Attendance (5200)

Section 3321.04 of the Ohio Revised Code provides that every parent, guardian, or other person having charge of any child of compulsory school age must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the full time the school attended is in session. Such attendance must begin within one week of the date on which the child begins to reside.

The State Department of Education, Section 3321.01 of the Ohio Revised Code, has formulated the following rules and regulations, which govern the past absences of students from school. The child's parent or legal guardian must communicate explanation of the child's absence to the school office by phone the day of the absence and by written note upon the student's return to school. If there is no notification provided within ten days then it is an unexcused absence/tardy. If a student will be absent for twenty or more consecutive school days, the parents must contact the principal to explore the possibility of home instruction. In accordance with ORC 3321.03, chronic attendance violation cases of truancy are referred to Juvenile Court.

Full day Attendance Requirement

Grades 7-12 students must be present 5.5 hours (excluding 30 minutes for lunch).

Rationale for BWHS Attendance Policy

Because many of the benefits of education come from in-class discussion and interaction, it is essential that a student attend as many classes as possible. Since good attendance is also a habit that employers strongly support, it is the philosophy of Big Walnut High School to promote the idea of good attendance habits and encourage them in all ways possible.

Absences Reporting Procedure

If your child does miss school, **parents need to notify the school by 9:30AM** for elementary and **8:30AM** for Intermediate, Middle School, and High School of his/her absence. If the school is not notified, the school must attempt to contact you at home or work. This is a result of the Missing Child Act passed in April 1985. **Parents need to provide notification and reason for absence within ten school days.**

Students missing 15 or more days will require a doctor's note. Cases of chronic illness or surgery will be handled individually.

Special note regarding students 18 years of age and older: If, during the school year, the student accumulates 21 or more unexcused absences, the school may proceed with a recommendation to withdraw the student from school for non-attendance.

Work may be given in advance and will be due upon the student’s return. Other work will be kept for the student during the course of the absence. That work will be due within the same number of days as the length of the absence. Tardiness

Any students who are not in their assigned classroom when school officially begins for the day will be counted tardy.

Students will be permitted to be late two times whether excused or unexcused per nine-week grading period.

- The third (3rd) time a student is tardy will result in a detention being assigned.
- The fourth (4th) and fifth (5th) time a student is late will result in an assignment to Extended School, Saturday School or ISI (In-School Intervention).
- A student can be suspended from school and/or referred to Juvenile Court, or receive, and/or have driving privileges revoked for being late in a nine-week period or for habitual tardiness.

In a school building where the day is divided into periods, the pupil must be in class when the bell signals the beginning of the class period. Students missing more than half ($\frac{1}{2}$) of the period will be charged with a class absence.

Late Arrival and Early Dismissal (5230)/Transportation Changes

For your student's safety and protection, students are not to leave the school or playground during the school day without special permission. Any students leaving during the school day will ONLY be dismissed from the office.

Students may receive early dismissals from school for the following reasons:

1. A doctor/dentist appointment (please bring a note from the doctor's office upon returning to school)
2. A funeral
3. Other reasons as determined valid by the administration

In general, students will not be permitted to leave school the last period of the day because they have a study hall.

If your child's transportation will change, please notify your child's office **at least an hour** before dismissal. If a child will be accompanying another student on the bus or picked up with another student, notification must be received from BOTH sets of parents. Changes in bus transportation will be subject to approval based on availability.

Make-Up Work

Students are given the same number of days as the length of the illness to complete and turn in make-up work. For example, a child absent three days from school would be given three days upon his/her return to complete and turn in the missed work.

If your child is absent due to illness more than three days, and you would like to receive missed work, please contact your child's school office.

Building Leave Permission

In the event that it becomes necessary for a student to leave school grounds during school time, permission must be granted by the high school principal. Students are not to ask to leave unless absolutely necessary. Haircuts, shopping appointments, music lessons, senior pictures, in-car driving lessons, etc. do not constitute emergencies. Except for emergency situations no student will be excused from school by the high school principal. A student will not be permitted to leave school if in the opinion of school personnel it is unsafe for the student to do so. **The high school office staff must secure parental consent before a student will be permitted to leave school grounds. Students must sign out in the office when leaving the building and sign in upon their return. In general, students will not be permitted to leave school the last period of the day because they have a study hall. This rule also applies to students 18 years and older.**

Building Leave without Permission

When a student enters school property and then leaves school property before the hour of dismissal without the consent of the principal, that student becomes truant and cannot enter class until reinstated by the principal. Discipline will result.

Extracurricular Participation (5610.05)

Guidelines for extracurricular and athletic participation in practice and contests as a result of illness or other absences are as follows:

1. Practice - If an athlete is ill and comes to school, he/she is to be here at least 3 periods in order to practice. If an athlete leaves school anytime during the day as a result of illness, he/she is not to return for practice that evening.
2. Practice - Students who are absent from school for a reason other than illness may practice at the discretion of the coach. Each coach is to develop guidelines to cover absence from practice for reasons other than illness. The guidelines are to consider reasons and courses of action for unexcused absences. The rules are to be fair, consistent, and administered equally to all.
3. Game - Athletes must be in school at least three periods of the school day on the day of an athletic contest or the preceding day if the contest is played on a Saturday.
4. Game - Students who did not attend at least three periods on the day of a game or the preceding day, if the contest is played on a Saturday, must secure permission from the athletic director in order to participate in the athletic contest.
5. Tardiness to School - Arriving home late on a school night because of an athletic event or practice is no excuse to be late to school on the following day.

Withdrawal from School (5130)

Parents/Guardians are required to complete the BWLS Student Withdrawal Notice Form in the office of attendance to initiate the withdrawal process in Big Walnut. This signed form may be used to begin the process until at least one of the following preferred documentation methods are provided: 1.) a signed withdrawal form from a responsible party outside the district that includes the last date attended in the district and the name of the new district/school. 2.) documentation of notification from an ODE system that the student has enrolled in another Ohio district 3.) a hard copy or electronic records request from the new district/school with the date enrolled in the new school and/or the date the request was received. Parents/Guardians need to provide their new mailing address and contact information.

Academic Achievement

Course Fees

Some courses have a fee to cover breakage, loss of materials, and purchase of materials to be used. Students will not be permitted to attend the Prom nor permitted to participate in the BWHS Graduation Ceremony unless all school fees and obligations are paid. Students who are unable to pay school fees can obtain an indigent form in the office.

School Fees and Instructional Materials (6152)

School fees for the 2016-17 school year are \$100.00 per student (including the [Technology Usage Fee](#)). Fees are due at the beginning of the school year. School fees are used for the annual purchase of consumable items (i.e. workbooks) and software subscriptions for individual students.

Additional fees may be charged for AP level courses, band, choir and DACC classes offered at BWHS, see below. Students attending DACC half day will have the \$100.00 fee pro-rated. Payments may be made using our on-line payment system on the district website: www.bwls.net, a credit card transaction at school, or by sending a check to school. Invoices will be sent on a monthly basis. Until fees are paid, students may not purchase school pictures or Scholastic books. School fees are waived or reduced for those students who qualify for Free/Reduced Lunch.

A statement of your child's fees will be sent home at the beginning of the school year. Payments should be made in full by credit card online or by check/money order to the school office. To view your fee account and make payments online, please go to your PowerSchool Parent Portal account and select Lunch and Fee Payments. If you are paying by check, please make it payable to "Big Walnut Local Schools." We appreciate your prompt attention to school fees. At the discretion of the building principal, and upon approval from the treasurer's office, students dropping a class, leaving the district early or enrolling late may have their fees adjusted in cases where the district does not incur additional costs or another funding source is identified. As an alternative to a refund, the fee may be transferred to the student's food service account or pay to participate fees upon the building secretary receiving permission from the parent to do so. Students are responsible for instructional materials loaned to him or her, and are expected to return instructional materials at the end of the course. Students will be responsible to pay for any instructional materials that are lost, destroyed, stolen or mutilated.

Homework (2330)

Homework may be assigned. The Board of Education acknowledges the educational validity of out-of-school assignments as adjunct to and extensions of the instructional program of the schools. "Homework" shall refer to those assignments to be prepared outside of the school by the student or independently

While in attendance.

Field Trips (2340)

Field trips are an opportunity to participate in educational experiences beyond the regular classroom. Only classroom students and adult chaperones are permitted on field trips. Permission slips signed by a parent or guardian must be on file in the office prior to the date of the trip. A telephone call giving permission is not a signed permission slip. Field trips are a privilege, not a right. A student's attendance and attitude are key factors in determining his/her participation in these educational opportunities.

Reporting Student Progress (5420)

Student academic progress will be reported to parents on consistent intervals throughout the year. Parent conferences and interim reports will be provided to keep parents informed of student progress. *PowerSchool* is the online tool used by Big Walnut Local Schools to report grade information. This allows parents access to their child's academic progress on an ongoing basis.

Commencement

Graduation and receipt of your diploma is a right you earn through academic work and achievement. Participation in Commencement Exercises (Graduation Ceremony) is a privilege. Commencement exercises are held each year for the graduating class. Diplomas will be awarded to the students by the members of the faculty. Student attendance, achievement and behavior are paramount for participation in the Commencement Exercise. In addition, in order to take part in the senior commencement exercises a student must have school obligations paid in full to the Big Walnut Local Schools' Treasurer's Office.

Graduation Requirements-Classes of 2016, 2017

A student must pass all five (5) sections of the OGT

Twenty units to include the following

1. Four (4) units of English
2. Three (3) units of Social Studies to include Economics
3. Four (4) units of Math through at least Algebra II
4. Three (3) units of Science
5. One-half (.5) unit of Health
6. One-half (.5) unit of Physical Education
7. Five (5) units of elective courses

Graduation Requirements-Class of 2018

Twenty units to include the following:

1. Four (4) units of English
2. Three (3) units of Social Studies to include Economics
3. Four (4) units of Math through at least Algebra II
4. Three (3) units of Science
5. One-half (.5) unit of Health
6. One-half (.5) unit of Physical Education
7. Five (5) units of elective courses

In addition to course credits, students will earn points toward graduation on seven end-of-course exams. The courses in which students take an end-of-course exam will be: English I and II, Algebra I, Geometry, Physical Science (just applies to Class of 2018), Biology, American History and American Government.

Students can earn from 1-5 points for each exam, based on their performance.

- 5-Advanced
- 4-Accelerated
- 3-Proficient
- 2-Basic
- 1-Limited

Students who take physical science, American history or American government as part of Advanced Placement, International Baccalaureate, College Credit Plus or Credit Flexibility programs can use their scores from the programs' end-of-course exams in place of the state end-of-course exam scores to accumulate graduation points.

A student who earned high school credit in any of the above courses before July 1, 2015 and a required end-of-course exam was not available automatically will receive a score of three points per course exam toward the total points needed for graduation. Middle school students this year

who take one of these courses for high school credit must take the corresponding state end-of-course exam in this school year.

With few exceptions, students must accumulate a minimum of 18 points from scores on their end of course exams to become eligible for a diploma.

Students who do not earn the required number of graduation points can still meet the requirements for a diploma if they earn a remediation-free score on a national college admission test (It is important to note that the remediation-free score has not yet been determined). This assessment will be given to students free of charge in the fall of their junior year starting with the graduating class of 2018.

Students also can qualify for graduation by earning an approved industry-recognized credential and achieving a workforce-readiness score on a related job skills assessment. The selection of those assessments is in progress.

Earning credit outside the classroom

1. Any tutoring or alternative education credit to be earned, inclusive of but not limited to goals and graduate recovery to be used toward graduation requirements, either advanced or make-up, not completed by the fourth full week of the senior year must be started after the official graduation ceremony of the student's graduating class. If a student wishes to begin any tutoring or alternative education prior to graduation in their senior year they and their parent/guardian must sign a waiver form acknowledging they understand the policy and that the student will not be permitted to be a part of the current year graduation ceremony. Exceptions to this rule, which may allow the student to participate in the graduation ceremony tutoring or alternative education credit inclusive of but not limited to Goals, Graduate Recovery, independent study, summer school, and home schooling occurring as a result of deficient grades from Freshman through Junior year must be completed by the fourth full week of the Senior year of high school.
2. Only include:
 - A. Fifth year students whose intended graduation has already occurred.
 - B. Students who are unable to get all of the necessary credits scheduled within the normal periods in the school day.
 - C. Medically approved circumstances that do not allow the student to attend during the traditional school day. These and any other extenuating circumstance that would allow participation in the graduation ceremony must be approved by the administration prior to the beginning of the education and a waiver form must be completed.

Miscellaneous:

1. Independent Study- During the senior year cannot be done for required credits unless it has administrative approval. All tutoring and Independent Study must have the appropriate Educational Options form on file and be pre-approved by the administration.
2. Any students participating in the graduation ceremony are required to have completed all graduation requirements prior to the graduation practice.

BWHS Standard Grading Scale

The revised standardized grade scale to be used for assessing student work at Big Walnut High School is listed below. This scale is to be used by all staff members. This scale is to be made known to the students. Any deviation from the scale is to be discussed with the principal. Parents will receive communication to inform them that their child is failing or near failing.

Requests for paper copies of the report cards and/or interims can be made through the School Counseling office. The final report card of the year will be printed for all students. Previous nine-week grades will appear on each grade card after the first grading period.

Incomplete Assignment Policy

To receive consideration for full credit for an assignment the assignment, is to be completed satisfactorily and submitted by the due date.

Requirement for Passing a Year-Long Course

A student must receive a passing average (60%) and must pass at least two of the three factors that determine the course average. The three factors are: the third marking period grade, the fourth marking period grade, and the second semester final exam. Failure to meet the above requirement will result in the student not being granted credit for the course regardless of the grade achieved.

Requirement for Passing a Semester Course

In addition to meeting the requisite passing percentage in a semester course, a student must meet the following criterion. Where a final exam is given, the student must pass two of the three factors that determine the final course grade in order to earn a passing grade and credit for the course.

Dropping a Course

A student has up to the first 10 school days of a class to drop the course with no grade repercussion, after this deadline the student will fail the class regardless of the grade average, unless an administrative committee grants an appeal. This process is initiated by the completion of the appropriate paperwork with the school counselor.

Early Graduation

Each year, a certain number of students wish to accelerate their courses of study in order to complete high school in less than four years. In order to meet the needs of the students while also maintaining the standards of Big Walnut High School, the following guidelines have been developed.

1. The student must notify the School Counseling office that they request to graduate early.
2. The parent of the student applying for early graduation must sign the application, thereby designating approval.
3. The student applying for early graduation must satisfy all the graduation necessary for graduation from Big Walnut High School.

College Credit Plus (CCP)

Ohio's new College Credit Plus lets your child earn college and high school credits at the same time. Students may take college courses from colleges and/or universities while still in grades 7th through 12th. This program is meant to promote rigorous academic pursuits and to give college-ready student a wide variety of options. Taking a College Credit Plus course from a public college or university is free, meaning you do not pay for tuition, books, or fees. Taking classes at a private college or university may result in limited costs. The designated points of contact are your counselors at Big Walnut High School or Middle School. Application and testing deadlines must be met to participate in CCP. CCP students must participate in any mandated state testing appropriate to their grade level. For additional information, contact the School Counseling office.

3. If the course has a corresponding Ohio State Test (OST) End-of-course exam, your student must participate; courses with exams are:
 - a. Algebra I, Geometry, Biology, American history and American government, English I and English II
4. In the course of scheduling during freshman year, your student will have the opportunity to decide if grades earned in the Big Walnut High School course(s) taken in Middle School will show as a grade, or a P (for Pass). This decision has multiple impacts and should be carefully considered.
 - A “P” on a high school transcript will not count towards a student’s GPA but will still count as earning the course credit.
 - If a student would like to become a Division I or II College athlete, and the course taken at Big Walnut Middle School is needed for NCAA requirements, a “P” will be seen as the equivalent to a “D” grade (1.0).
5. The score earned on the OST End-of-course exam will become part of their permanent transcript and will count toward the points requirement for graduation.
 - a. For each of the seven end-of-course state tests, a student earns one to five graduation points. Students have the potential to earn a total of 35 points. To meet the graduation requirement, a student must earn a minimum number of 18 points from all tests.

If you have questions or concerns, please contact the Big Walnut Middle School staff.

Your student completed the following course(s) at Big Walnut Middle School for Big Walnut High School credit. You have the opportunity to decide if the grades earned in the Big Walnut High School course(s), taken in Middle School, will show as a grade or a P (for Pass).

This decision has multiple impacts and should be carefully considered.

- A "P" on a high school transcript will not count towards a student's GPA but will still count as earning the course credit.
- If a student would like to become a Division I or II College athlete, and the course(s) taken at Big Walnut Middle School is needed for NCAA requirements, a "P" will be seen as the equivalent to a "D" grade (1.0).

If you do **not** want your student to receive the grade for the course, please place an "X" in the box next to each course that would have applied to your student. If you mark 'P in lieu of a traditional grade', please be advised that the course will still show up on the student's high school transcript as a "P," if they passed, to meet the high school graduation requirements. If a student did not pass the course, an "F" will show up on the transcript. If you leave a section blank for a course your student took, the course grade and credit will show up on their high school transcript.

If you have any questions, please contact Big Walnut High School counseling office at 740-965-2243.

Emergency Medical Authorization Form (5341)

Parent/Guardians are required by state law to complete an Emergency Medical Authorization Form. These are kept on file in the school office. This form must be on file in order for a student to participate in an activity off school grounds, including field trips, athletic and other extracurricular activities. The Emergency Medical Authorization is provided at the time of enrollment or each school year and must be completed every school year thereafter. Please note when listing person(s) as emergency contacts, it is recommended that those contacts are in close vicinity of the school building in the event that the student would need to be picked up from school if you are unable to be reached.

Dispensing Prescription and Over the Counter Medication (5330)

Big Walnut Board of Education wishes to cooperate fully with students, parents and medical professionals to ensure that students receive any required medication during the normal school day at the time which it is required, however it is ideal that medications be given at home if at all possible. Guidelines have been established to ensure to maintain the control of authorized drugs within the schools and to ensure the health and welfare of student.

A "MEDICATION REQUEST FORM" must be on file in the office for any **prescribed** or **over the counter medication (OTC)** to be dispensed to your child. Medication brought to school must be in the original container and must be brought to school by a parent or parent designee. Medication cannot be sent to school with the student. Prescription medications must be kept in pharmacy container with the student's name and match the the physician's written orders on the Medication Administration Form. For over the counter medications, the dosing must match manufacturer's suggested dosing. All medication will be stored in a secure location in the office and dispensed by the principal or his/her designee. A medication log is maintained in the office including student name, type of medication, date and time medication is administered, amount provided and the expiration date of the medication.

In some instances, students are permitted to carry certain prescription medications (ie epinephrine) with them while in school or attending a school sponsored function. If the physician feels that is medically necessary for the student to carry the medication, the physician must provide documentation providing authority to do so. If the student requires emergency medication to be kept at school, the appropriate Emergency Action Plan is to be completed and signed by the physician and parent/guardian. If the student is found to use the emergency medication in an inappropriate manner, Administration has the authority to confiscate the medication and notify parents and the physician to arrange for alternative means of administration.

Any medication that is not picked up by the parent/guardian at the end of the school year, will be appropriately destroyed by the district nurse.

Medical forms are available in the school office or on our district website at www.bwls.net, expire at the end of the school year.

Any student who distributes medication of any kind or who is found in possession of unauthorized medication is in the violation of the Big Walnut Local School's Code of Conduct and will be disciplined in accordance with the drug-use provision of the Code.

Student Illness

Your child needs to be free of vomiting, diarrhea and/or fever-free without medications for 24 hours before they can come or return to school. Students with an unexplained rash will need a note from a physician stating that they are not contagious and may attend school. Students will be sent home with any of these symptoms, in order to prevent spreading illness among our students and staff. If you have any questions or concerns, please feel free to contact District Nurse, Megan Truax.

Each year Food Service must have an updated statement from your physician documenting the specific food allergy and acceptable substitutes in order to make accommodations within the National School Breakfast and/or Lunch Program.

Food Brought to School

Safety of our students is a top priority each day. In an effort to further promote the safety of all students, the following guidelines are now in place:

Student Code of Conduct

Administrative Policies (5500)

It is difficult to have a rule and/or policy stated in the student handbook that will cover every possible situation that might arise. Therefore, the administration has the right to develop and implement a rule or policy not stated in the student handbook, and to modify existing policies/rules in order to deal with a particular problem. To the extent possible, the administration will announce the new policy via the public address system, and post the new policy on the office window. The administration has the right to invoke the policy prior to it being either announced or posted.

Per Ohio law, this disciplinary code of conduct will be in effect:

- (1) On school grounds during, before, or after school hours
- (2) Off school grounds at a school activity
- (3) On school buses at any time
- (4) Off school grounds if it is connected with school activities or incidents occurring or being initiated at school, or on school property or is directed at school district personnel, regardless of location or the property of school district personnel.

Routine Disciplinary Problems

The philosophy of the Big Walnut High School is that the classroom teacher should handle the discipline problems of the classroom. Any rules that the teacher has for the efficient operation of the class, should be made known to all of the students. The classroom teacher should handle violations of general and specific class rules. Methods of discipline should be positive. Methods of discipline that could be employed by teachers might include teacher-student conferences, parent conferences, detentions, or other methods as determined by the staff.

Participation in extra-curricular activities, including interscholastic sports, is a privilege and not a right. Students may be prohibited from all or part of their participation in such activities by authorized school personnel for offenses or violations of the Student Code of Conduct or Athletic Code of Conduct. Students prohibited from participation in all or parts of any extra-curricular activity are not entitled to further notice, hearing and/or appeal rights. (5610.05)

Nondiscrimination/Harassment (5517) Title VI

The Board's policy of nondiscrimination extends to students, staff, job applicants, the general public and individuals with whom it does business and applies to race, color, national origin, citizenship status, religion, gender, economic status, age or disability.

The Board does not permit discriminatory practices and views harassment as a form of discrimination. Harassment is defined as intimidation by threats of or actual physical violence; the creation, by whatever means, of a climate of hostility or intimidation; or the use of language, conduct or symbols in such a manner as to be commonly understood to convey hatred, contempt or prejudice or to have the effect of insulting or stigmatizing an individual.

Employees or students who engage in discrimination/harassment of another employee or student shall be subject to disciplinary action.

Permission, consent or assumption of risk by an individual subjected to discrimination/harassment does not lessen the prohibition contained in this policy.

No one shall retaliate against an employee or student because he/she files a grievance; assists or participates in an investigation, proceeding or hearing regarding the charge of discrimination of an individual; or because he/she has opposed language or conduct that violates policy.

Attention Parents: Big Walnut will release standard student demographic data to non-profit organizations. If you do not wish to have data concerning your child released, notify, in writing, the principal of Big Walnut High School.

On the Basis of Gender: Title IX

Title IX states, in part, that "No person in the United States shall, on the basis of gender, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.

The Board hereby states its intention to ensure compliance with Title IX of the Education Amendments of 1972, as affected by Title VI of the Civil Rights Act of 1964 and the regulations

promulgated through the U.S. Department of Education.

The superintendent or the Board of Education may require a pupil who has been suspended or expelled pursuant to this policy to perform community service in conjunction with, or in place of discipline. In-School Intervention (ISI) (5610.02)

In-school Intervention will provide a practical alternative to out-of-school suspension for less serious infractions as determined by the administration. This program will remove disruptive students from the classroom while providing a continuing educational program and an opportunity to change inappropriate behavior. Students will be placed in a specific classroom under the supervision of a teacher. They will be marked as present for school for the days they are in ISI. They are required to complete their regular school work and will receive up to 100% credit for work completed while in ISI.

Extended School

Extended School is an alternative to out-of-school suspension. At times the behavior of a student goes beyond what can be expected in a school setting. The Extended School is a disciplinary measure that hopefully will discourage inappropriate behavior, yet permit the student to remain

in school and receive an education.

Saturday School

Saturday School is an alternative to out-of-school suspension. At times the behavior of a student goes beyond what can be expected in a school setting. The Saturday School is a disciplinary measure that hopefully will discourage inappropriate behavior, yet permit the student to remain in school and receive an education.

The Board of Education does not assume responsibility for training, daily care, health care, or supervision of service animals. District Safety Plan (8400)

In case of an emergency, district personnel will follow the District Crisis Management. This plan specifies steps to be followed should an emergency arise that threaten the well-being of students, staff and the public while utilizing school property. In addition to the steps outlined in the District Crisis Management Plan, our staff routinely trains on many of these procedures. The drills include fire, tornado and lockdown drills. In the event of a lockdown, parents will be notified via an email

notification. If the situation causes a delay in the start of the school day or a change in release time, parents will be notified using the district's automated calling system.

Food Service (8500)

Students in grades 1-6 and full-day kindergarten may purchase a lunch from the cafeteria. Student breakfast is \$1.25 and lunch is \$2.50. Payments may be made using our on-line payment system on the district website: www.bwls.net, a credit card transaction at school, or by sending a check to school. Students are permitted up to 3 school lunch charges once their accounts are depleted. Lunch charges do not include ala carte items. Once a student has charged a school lunch 3 times, he/she will be provided with a sandwich and drink for lunch.

Students gain access to their personal account with a PIN number (Personal Identification Number—much like a phone number). This system is used for all purchases including full meals, ala carte and milk. Accounts remain active until graduation or withdrawal from district. Students who fraudulently use a debit account or deny payment for food items will be responsible for repayment, disciplined and may be prosecuted. The school lunch includes a main entrée, milk, choice of fruits and vegetables, and often a dessert. A variety of ala carte items are always available.

Applications for the Free and Reduced-Price Meal Program are distributed to all students at the beginning of each school year. If you would like an application to this program, please contact your child's school

Fundraising Activities (5830)

Fundraisers also include giving away goods or services, but suggesting a monetary donation. Student fundraising by approved school organizations off school grounds may be permitted under administrative guidelines of the superintendent.

Lockers

Each student is responsible for his or her combination lock for his or her hallway locker. The combination lock will be provided to the homeroom teacher. Lockers should be kept locked at all times. Students should not reveal their locker number/combination verbally or visibly, or they cannot expect their property to be safe. Lockers must be cleaned every nine weeks. Lockers should be kept clean inside and out. Gummed labels; stickers, and/or pictures are not to be displayed inside or outside of the locker. Markers (including dry erase markers) may not be used on lockers. Damage caused by misuse will be charged to the student responsible. If a school supported (e.g. team spirit poster) locker display is placed on the locker, it must have prior administrative approval and only masking tape must be used.

Lost and Found

Found items are kept in a lost and found location. Found items that are identified with the child's name will be returned. With this in mind, please remember to label your child's clothing. Parents and students are encouraged to check the Lost and Found for missing items. Items not claimed will be given to a charitable organization.

Parties

Various school parties are planned during the year by classroom teachers and the PTO. Birthdays are special ask your child's teacher for specific guidelines on treats and times for the class. Delivery of flowers, balloons, and/or clowns is prohibited during the school day.

*Please refer to the section titled "Food Brought to School" for guidelines on what food is appropriate for these events.

Playground Safety

All items brought from home need to be approved by the classroom teacher and/or recess aide for safety and appropriateness (e.g., balls, jump ropes, etc.). Children should be properly clothed for daily outside play. Children are sent outside for recess when the temperature is 25° Fahrenheit or above, including the wind chill, and playground conditions permit safe play. We encourage all students to go outside for recess on outside recess days. We understand that children with asthma or those returning after a serious illness may need to occasionally stay in. If your child needs to stay inside, please send a note from home. If the need to stay in is longer than two days, you will need to provide us with a doctor's note specifying the reason.

Vacationing Parents

Each year some of our parents go on trips or vacations, leaving their children with friends or family. The school needs certain information in case something should happen.

Before you leave on vacation, the school must have a notarized medical consent form including:

- Child's name

- Name, address and telephone number of responsible adult

- Length of time the responsible person is in charge

- Parent's signature and date

- Any pertinent medical history or allergies not already included in required paperwork

Visitors (9150)

Visitors are welcome at school. In order to properly monitor the safety of students and staff, each visitor must report to the school office upon entering the school to sign in and obtain a visitor's pass. Any visitor found in the building without a visitor/volunteer badge will be asked to return to the office.

In order to protect our educational process, we ask that visitors and volunteers respect our learning environment and minimize the disruption of learning by remaining in scheduled areas. If parents wish to meet with a member of the staff, they should call for an appointment prior to

coming to the school, in order to prevent any inconvenience to parents/staff or disruption of the learning process. Students may not bring visitors to school without first obtaining permission from the building principal.
