

Deadline: Wednesday, Jan 9

Word Count: 200-250

The new year brings with it a full slate of meetings and presentations as part of the Village of Sunbury's (**VOS**) review and approval of the design of the new Big Walnut Local Schools Elementary and High School facilities.

A schedule of the anticipated meeting sessions and the associated application(s) are as follows:

***Rezoning application:**

- Jan. 7, 2019: Planning & Zoning Commission, first reading
- Jan 17, 2019: Planning & Zoning Commission, second/final reading (6:30 pm start time)
- Feb. 20, 2019: Village Council, first reading
- Feb. 27, 2019: Village Council, 2nd hearing / approval

*This application deals with the new site plan as well as the siting and massing of the (2) new schools and associated structures and features such as the football stadium, parking lots and other sporting type components.

Note: Applications for Design Variances and a Conditional Use permit also part included and part of this agenda/schedule.

****Zoning Certificate:**

- Jan. 28, 2019: Planning & Zoning Commission; review and approval
- Feb. 6, 2019: Village Council, first reading (9 days after P&Z approval)
- Feb. 20, 2019: Village Council, 2nd reading (23 days after P&Z approval)

Note(s):

- ❖ All VOS meetings are currently slated to occur in the Town hall on the Square, 3rd floor.
- ❖ Start time for all meetings is 7:00 pm, unless noted otherwise
- ❖ All meetings as noted above are subject to change (VOS assigned dates for their meetings, not Big Walnut School).
- ❖ **Please reference VOS web site for clarification to meeting times and locations.**

**This application involves more detailed explanation and presentation of the overall site design elements from an engineering point of few. Documents associated with this application include the sanitary & storm water management system(s) as well as other underground utilities such as water and electric. Additional info associated with grading (earthwork) is also included in the associated documentation.

Jen / Angie,

We could put the application/drawings on our district web site...although it might be too much... thoughts?

Could also include the latest site plan for this article.
