BWHS aims to have students, teachers, administrators, support staff, parents, and community members work together to create and sustain a safe, healthy, and supportive learning environment for all students.

Sincerely,

Dr. Nicole Carter, Principal

Foreword

The Big Walnut Local School District (BWLSD) Student Handbook was developed to answer many of the commonly asked questions that you and your parents may have during the school year, and to provide specific information about certain board policies and procedures. Please take time to become familiar with the important information contained in this handbook and keep the handbook available for reference. Please note that the majority of information in our handbooks is standardized and applies to all students K-12. This Student/Parent Handbook is based in significant part on policies adopted by the Big Walnut Local School District Board of Education and Administrative Guidelines developed by the Superintendent. The policies and administrative guidelines are periodically updated in response to changes in the law and other circumstances. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal. This handbook replaces all prior handbooks and other written material on the same subjects. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guideline prevails. Copies of current board policies and administrative guidelines are available from the building principal and on the district's website.

School Closings

In the event of inclement weather, school delays and closings will be posted online at www.bwls.net. Delay and closing information will also be reported using the district's automated phone system, the email notification system, the local television stations and the radio stations. There may be times when it is necessary to dismiss school during the day because of an emergency. In such instances, parents will be contacted using the district's automated phone system. Parents are urged to make arrangements with a neighbor or friend so that their child will have a place to go in case of an emergency if a parent/adult is not home.

Calling System

To update your contact information for the calling system, please contact your building's office.

Safer Schools Ohio

Big Walnut Local Schools uses the Safer Schools Ohio anonymous tip line for students and families to share information with school officials and law enforcement about threats to student safety—whether that involves a threat of a mass incident or harm to a single student. To report a concern, call or text 1-844-SAFEROH (1-844-723-3764). The system will send your anonymous report to the appropriate people to address the concern.

Federal/State/Local Compliance

The Big Walnut Local School District complies with federal laws that prohibit discrimination in programs and activities receiving federal assistance. Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color or national origin. Section 504 of the Rehabilitation Act of 1973 prohibits discrimination on the basis of handicap. Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex. The Age Discrimination Act of 1975 prohibits discrimination on the basis of age. Big Walnut Local Schools also complies with the Family Education Rights and Privacy Act of 1994 and grants parents/guardians the right to examine children's official school records. Inquiries regarding unlawful discrimination may be directed to the principal of the building or the district compliance officer, Ms. Megan Forman.

Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents and students who are 18 or emancipated minors ("eligible students") certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education.

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, antisocial, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or
8. Income, other than as required by law to determine program eligibility.

Receive notice and an opportunity to opt a student out of –

1. Any other protected information survey, regardless of funding;
2. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

Inspect, upon request and before administration or use –

1. Protected information surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

The Big Walnut Local School District will develop and adopt policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The Big Walnut Local School District will directly notify parents and eligible students of these policies at least annually, at the start of each school year, and after any substantive changes. The Big Walnut Local School District will also notify parents and eligible students annually at the start of each school year of the specific or approximate dates of the following activities and provide an opportunity to opt a student out of participating in:

1. Collection, disclosure, or use of personal information for marketing, sales or other distribution.
2. Administration of any protected information survey not funded in whole or in part by the U.S. Department of Education.

Parents/eligible students who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, D.C, 20202-4650

Family Educational Rights and Privacy Act (FERPA)

The following rights are afforded parents and students over 18 years of age (“eligible students”) under The Family Educational Rights and Privacy Act:

1. The right to inspect and review the student’s education records within 45 days of the day the school received a request for access. Parents or eligible students should submit to the school principal (or the principal’s designee) a written request that identifies the record (s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and location where records may be inspected.
2. The right to request an amendment of the student’s education records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask the school to amend a record that they believe is inaccurate. They should write to the school principal (or the principal’s designee), clearly identify the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except that FERPA authorizes disclosure without consent.

4. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; as person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Big Walnut Local School District to comply with the requirements of FERPA. The name and address of the office that administers FERPA are:
Family Policy Compliance Office
400 Maryland Avenue, SW
Washington, DC 20202-4650

Big Walnut Local Schools will release standard student demographic data to non-profit organizations. If you do not wish to have data concerning your child released, in writing, notify the principal of your child's school.

Equal Education Opportunity

Big Walnut Local Schools provides an equal educational opportunity for all students. Any person who believes that s/he has been discriminated against on the basis of his/her race, color, disability, religion, gender, or national origin while at school or a school activity should immediately contact the School District's Compliance Officer: Megan Forman, 740-965-3010.

Complaints will be investigated in accordance with the procedures described on page 53 of this Handbook. Any student making a complaint or participating in a school investigation will be protected from retaliation. The Compliance Officer(s) can provide additional information concerning equal access to educational opportunity.

Homeless Students (Board Policy 5111.01)

Pursuant to the McKinney-Vento Act, an unaccompanied youth includes a homeless child or youth not in the physical custody of a parent or guardian. Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the District. Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs. Homeless students will not be denied enrollment based on lack of proof of residency. For additional information contact Ross Linscott, the liaison for Homeless Students, at 740-965-3010.

Foster Care

The Board of Education recognizes the importance of educational stability for children and youth in foster care. Further, the Board recognizes these children and youth as a vulnerable subgroup of students in need of safeguards and support in order to facilitate a successful transition through elementary and secondary education and into college and/or careers. To that end, the District will collaborate with the Ohio Department of Education (ODE), other schools and school districts, and the appropriate custodial agencies (child welfare agencies) to provide educational stability for children and youth in foster care.

Students with Disabilities

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applies not just to students, but to all individuals who have access to the District's programs and facilities.

The laws define a person with a disability as anyone who:

- A. has a mental or physical impairment that substantially limits one or more major life activities;
- B. has a record of such an impairment; or
- C. is regarded as having such an impairment.

The District has specific responsibilities under these two laws, which include identifying, reviewing and, if the child is determined to be eligible, affording access to appropriate educational accommodation.

Additionally, in accordance with State and Federal mandates, the District seeks out, assesses and appropriately services students with disabilities. Staff members use a comprehensive child study process to systematically screen, assess and, if appropriate, place students in special education and related services. Students are entitled to a free appropriate public education in the "least restrictive environment."

A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA), A.D.A. Section 504) and State law. Contact the Student Services Director, Ross Linscott, 740-965-3010 to inquire about evaluation procedures, programs, and services.

Technology Usage Policy [\(Table of Contents\)](#)

Technology Acceptable Use & Internet Safety Policy

Board Policy 7540.03 - STUDENT AND FACULTY NETWORK AND INTERNET ACCEPTABLE USE AND SAFETY

- The focus of this document is on Internet usage but applies to all computer usage at Big Walnut Local Schools.
- All students, faculty, staff, continuing education students, and support staff will be referred to as "USER" or "USERS."
- Internet access is available to users at the Big Walnut Local Schools.
- The goal of the Big Walnut Local School District is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.
- The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Users may have access to the following:
 - D. Electronic mail communications with people all over the world.
 - E. Information and news from many educational institutions as well as scientific and governmental agencies.
 - F. Public domain software and shareware of all types.
 - G. Discussion groups on a broad range of topics.
 - H. Access to University catalogs, the Library of Congress, and on-line public libraries.

With access to computers and people all over the world comes the availability of material that may not be considered to be of educational value in the context of the school setting. Big Walnut Local Schools have taken precautions to restrict access to controversial materials. However, on a global network, it is impossible to control all materials, and users may discover controversial information. The District believes that the valuable information and interaction available on this network far outweighs the possibility that users may produce materials that are not consistent with the educational goals of our District.

Internet access is coordinated through a complex association of government agencies and regional and State networks. In addition, the smooth operation of the network relies upon the proper conduct of end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general, this requires efficient, ethical, and legal utilization of the network resources. If a user violates any of these provisions, his or her account may be terminated and future access could possibly be denied.

All parties acknowledge that their signature on the Technology Use Form is (are) legally binding and indicate the party (parties) who signed has (have) read the terms and conditions carefully, understand(s) their significance, and agree to such terms and conditions.

Terms and Conditions

- A. Acceptable Use - The purpose of access to the Internet is to support research and education in and among academic institutions in the U.S. by providing access to unique resources and the opportunity for collaborative work. The use of your account must be in support of education and research and consistent with the educational objectives of the District. Use of another organization's network or computer resources must comply with the rules that are appropriate for that network. Transmission of any material in violation of any U.S. or State law is prohibited.
 - 1. This includes but is not limited to downloading copyrighted material; transmitting threatening or obscene material; or accessing, appropriating, and/or employing material that constitutes confidential or trade secret information. Use of Internet access for commercial activities is generally not acceptable. Use for product advertisement or political lobbying is also prohibited.
- B. Privileges - The use of the Internet is a privilege, not a right; and inappropriate use will result in cancellation of those privileges. The system administrator can recommend removal of access until reviewed by school administration. The administration, faculty, and staff of the Big Walnut Local Schools may request the system administrator to investigate possible violations.
- C. Network Etiquette - You are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to the following:
 - 1. Be polite. Do not get abusive in your messages to others.
 - 2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language.
 - 3. Do not reveal your personal address or phone numbers to other users.
 - 4. Know that electronic mail (e-mail) is not guaranteed to be private. People who operate the system do not have access to all mail. The systems administrator will monitor email. Any messages related to or in support of illegal activities may be reported to the authorities.
 - 5. Do not use the network in such a way that it would disrupt the use of the network by other users.
 - 6. All communications (including E-MAIL) and information accessible via the network should be assumed to be private property, unless it is very clearly marked as being available for use or distribution.
 - 7. Illegal activities are strictly prohibited.

8. Keep your password confidential. Do not give your password to anyone for any reason. You are responsible for it and will be held accountable.
 9. If you subscribe to a listserv, plan on checking your mail on a regular basis.
 10. The regular and routine use for private or personal for-profit business such as, for example, the advertising of goods or services for purchase or sale, is not an acceptable use.
- D. No user shall have any expectation of privacy with respect to any information transmitted through or stored on District computers and related equipment and storage media. The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages you suffer. This includes, but is not limited to, loss of data resulting from delays, non-deliveries, misdeliveries, or service interruptions no matter how caused. Use of any information obtained via the Internet is at your own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services. No user shall access any fee based system.
- E. Security - Security on any system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Internet, you must notify the system administrator. Do not demonstrate the problem to other users. Do not use another individual's account under any circumstance. Attempts to login to the network as a system administrator may result in cancellation of privileges. Any user identified as a security risk or having a history of misusing other computer systems may be denied access to the network.
- F. Vandalism - Vandalism may result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data or to intrude in the network or data of another user, Internet, or any other network, including the above listed agencies or other networks that are connected to the Internet backbone. 1:1 Device Loan Agreement

Each student has been assigned a school-issued device to improve and personalize his/her education. The school-issued mobile device is an important learning tool and is to be used for educational purposes. It is essential that the following guidelines be followed to ensure the safe, efficient, and ethical operation of this device. Violating any of the responsibilities below may result in disciplinary action.

- District identification labels have been placed on the device. These labels are not to be removed or modified. Additional stickers, labels, tags, or markings of any kind are not to be added to the device.
- The student should bring the fully-charged device to school every day.

- A student shall not install, use, or modify any computer technology (hardware, software, peripherals, connections, etc.) provided by the school without authorization from school authorities.
- One user has been assigned to this device for the exclusive use of that student. The student agrees to make no attempts to change or allow others to change the privileges and capabilities of this user account.
- The student will not lend the device to anyone, including friends or siblings; it will stay in the assigned student's possession at all times.
- The student will keep all assigned accounts and passwords secure and will not share these with any other individual.
- When using the device at home, at school, or anywhere else, the student will follow the policies of Big Walnut Local Schools, especially the Student Code of Conduct and the Acceptable Use and Internet Safety Policy (Board Policy 7540.03), and abide by all local, state, and federal laws. Inappropriate use of the device may result in disciplinary action.

- The equipment will be returned when requested by Big Walnut Local Schools, or sooner, if the student withdraws from Big Walnut Local School District prior to the end of the school year. Attendance [\(Table of Contents\)](#)

Attendance (Board Policy 5200)

Section 3321.04 of the Ohio Revised Code provides that every parent, guardian, or other person having charge of any child of compulsory school age must send such child to a school which conforms to the minimum standards prescribed by the State Board of Education for the full time the school attended is in session. Such attendance must begin within one week of the date on which the child begins to reside.

The State Department of Education, Section 3321.01 of the Ohio Revised Code, and House Bill 410 have formulated the following rules and regulations, which govern the past absences of students from school. The child's parent or legal guardian must communicate an explanation of the child's absence to the school office by phone the day of the absence and by written note upon the student's return to school. If there is no notification provided within ten days then it is an unexcused absence/tardy. If a student will be absent for twenty or more consecutive school days, the parents must contact the principal to explore the possibility of home instruction.

A student will be considered habitually truant if the student is absent without a legitimate excuse for thirty (30) or more consecutive hours, forty-two (42) or more hours in one school month, or for seventy-two (72) or more hours in one school year.

In order to address the attendance practices of a student who is habitually truant, the school may take any of the following intervention actions:

- Assign the student to a truancy intervention plan
- Provide counseling to the student
- Request or require the student's parent to attend a parental involvement program
- Request or require the parent/guardian attend a truancy prevention mediation program
- Notify the Registrar of Motor Vehicles of the student's absences
- Take appropriate legal action

Full day Attendance Requirement

Grades 7-12 students must be present 5.5 hours (excluding 30 minutes for lunch).

Rationale for BWHS Attendance Policy

Regular attendance is a significant student responsibility at all grade levels. Many studies correlate regular attendance with success in school. Regular attendance means that the academic learning process is not interrupted, less time is spent on make-up assignments, and students benefit from participation and interaction with others in class. Many important lessons are learned through active participation in classroom and other school activities that cannot be replaced by individual study.

Establishing a pattern of good attendance will benefit the student in school and the workplace. Attendance is important in the development of a high quality work ethic, which will be a significant factor in a student's success with the future employers. One of the most important work habits that employers look for in hiring and promoting a person is his/her dependability in coming to work every day on time. This is a habit Big Walnut High School wants to help students develop as early as possible.

Absence Reporting Procedure

If your child does miss school, **parents need to notify the school by 9:30AM** for elementary and Intermediate and **8:30AM** for Middle School and High School of his/her absence. If the school is not notified, the school must attempt to contact you at home or work. This is a result of the Missing Child Act passed in April 1985. **Parents need to provide notification and reason for absence within ten school days, or the absence will be counted as unexcused.**

Students missing more than 15 days (83 hours) will require professional documentation. Cases of chronic illness or surgery will be handled individually. A parent/guardian may submit written documentation for reason of absence(s) not to exceed 83 hours. Any students who exceed 83 hours parental/guardian absences or unexcused will be required to provide professional documentation stating the reason for absence. Failure to do so will result in the absence being counted as unexcused.

Special note regarding students 18 years of age and older: If, during the school year, the student accumulates 21 or more unexcused absences, the school may proceed with a recommendation to withdraw the student from school for non-attendance.

Excused and Unexcused Absences

Note: *Excused absences (Professional Documentation) as outlined in the first column will not be counted in the 83 hours parental absences or unexcused.

EXCUSED Professional Documentation	EXCUSED Parental Absence	UNEXCUSED
<ul style="list-style-type: none"> • Medical appointment (partial days in most cases) • Medical illness or injury documented by medical professional • Death/funeral of immediate family member • Quarantine of the home • Appointments for court (partial days in most cases) • Military/College Visits • Observation or celebration of a bona fide religious holiday 	<ul style="list-style-type: none"> • Personal illness or injury • Hunting • Head lice. Children excluded from school due to head lice are allowed one (1) excused absence on two (2) separate occasions in a school year. • Emergencies and other reasons deemed good and sufficient by the administration. • Pre-Planned Absences 	<p>The school administration will make the final decision whether an absence/tardy is excused or unexcused. In general, unexcused absences/tardies include (but are not limited to):</p> <ul style="list-style-type: none"> • Missing the school bus • Experiencing transportation problems at home or on the way to school • Remaining at home to complete school assignments • Missing school without legitimate illness • Oversleeping, "alarm clock failed to work." • "My mom didn't get me up." • Not having suitable clothing to wear to school. • Babysitting • Any recreation (unless pre-planned absence days). • Personal business that can be done after school or on the weekends • "Helping at home" or "was needed at home" • "I had a game last night." • Senior Skip Day

Medical Excuses: Medical excuses are acceptable documentation of an absence or tardy to school following a personal, in-office or hospital examination by a physician, nurse practitioner, or physician assistant. Physicians, et.al, may only excuse absences or tardies to school for the specific date(s) the student was under his/her direct medical care during which the student was medically unable to attend school. Excessive medical excuses may result in the school contacting the physician's office for additional medical documentation.

Pre-Planned Absences

Parents must obtain a “[PRE-PLANNED ABSENCE REQUEST FORM](#)” from the office when known in advance that a child will not be attending school (i.e. family vacation, participation in the Delaware County Fair, etc). The form is to be completed by the parents and submitted to the office for principal approval at least two days before the pre-planned absence. Work may be given in advance and will be due upon the student’s return. Other work will be kept for the student during the course of the absence. That work will be due within the same number of days as the length of the absence. Please note that absences not authorized according to attendance policies and procedures will be counted as unexcused. If a pre-planned absence exceeds 38 hours in a month or combination of all absences exceeds 83 hours for the year, any absence above the 38 or 83 must be marked as unexcused.

Military/College Visits

Junior and Senior students may be excused from school to meet with military representatives or visit colleges for up to **two** days each school year. A [Military/College Visitation Form](#) **MUST** be completed and turned into the main office **PRIOR** to the visit. A [Military/College Verification Form](#) must be completed by a representative of the military branch/college and turned into the main office within **two** days of return to school, failure to do so will result in an unexcused absence.

Unexcused Absence Consequences

Students accruing unexcused absences will be handled on the following schedule:

- 16.5 unexcused hours = 60 Minute Detention
- 33 unexcused hours = Saturday School
- 49.5 unexcused hours = Saturday School, Mandatory Meeting with District Attendance Officer and Absence Intervention Team to develop Absence Intervention Plan
- 65 unexcused hours = 2 Saturday Schools and truancy charges filed in juvenile court

Arrival to School

Students must enter the building upon arrival to school, whether they drive, are dropped off, walk or take the bus. Loitering around the building is not permitted. All students should enter the building through the main doors or bus entrance. Students will be considered truant if they leave school grounds without permission after they arrive.

Due to supervisory schedules, students who do not ride the bus shall arrive at school no earlier than 7:00am. Upon arrival students will be directed to the entrances.

Students' hours are 7:30am–2:10pm. Students **MUST** be picked up by 2:25pm unless involved in a faculty- supervised activity. Students involved in special activities after school, are to remain in their assigned areas. Students not picked up by 2:25pm. could be outside and may not be supervised.

Students leaving and returning within the same school day will have their absence calculated based on the time out.

Tardiness

Any students who are not in their assigned classroom when school officially begins for the day will be counted tardy.

Students will be permitted to be late two times whether excused or unexcused per nine-week grading period.

- The third (3rd) time a student is tardy will result in a 30 minute detention being assigned.

- The sixth (6th) time a student is late will result in 60 minute detention.
- The ninth (9th) time a student is tardy will result in a Saturday School being assigned.
- The twelfth (12th) time a student is tardy will result in an In School Intervention (ISI) being assigned.
- A student can be referred to Juvenile Court and/or have ***driving privileges revoked*** for being late in a nine-week period or for habitual tardiness.

In a school building where the day is divided into periods, the pupil must be in class when the bell signals the beginning of the class period. Students missing more than half ($1/2$) of the period will be charged with a class absence.

Late Arrival and Early Dismissal (Board Policy 5230)/Transportation Changes

For your student's safety and protection, students are not to leave the school or school grounds during the school day without special permission. Any students leaving during the school day will **ONLY** be dismissed from the office. **Students must sign in and out of the office when arriving late or leaving early, failure to do so could result in disciplinary action.**

Students may receive early dismissals from school for the following reasons:

1. A doctor/dentist appointment (please bring a note from the doctor's office upon returning to school)
2. A funeral
3. Other reasons as determined valid by the administration

In general, students will not be permitted to leave school the last period of the day because they have a study hall.

If your child's transportation will change, please notify your child's office **at least an hour** before dismissal. If a child will be accompanying another student on the bus or picked up with another student, notification must be received from BOTH sets of parents. Changes in bus transportation will be subject to approval based on availability.

Make-Up Work

Students are given the same number of days as the length of the illness to complete and turn in make-up work. For example, a child absent three days from school would be given three days upon his/her return to complete and turn in the missed work.

If your child is absent due to illness for more than three days, and you would like to receive missed work prior to your student's return, please contact your child's school office regarding this possibility.

Building Leave Permission

In the event that it becomes necessary for a student to leave school grounds during school time, permission must be granted by the high school principal. Students are not to ask to leave unless absolutely necessary. Haircuts, shopping appointments, music lessons, senior pictures, in-car driving lessons, etc. do not constitute emergencies. Except for emergency situations no student will be excused from school by the high school principal. A student will not be permitted to leave school if in the opinion of school personnel it is unsafe for the student to do so. **The high school office staff must secure parental consent before a student will be permitted to leave school grounds. Students must sign out in the office when leaving the building and sign in upon their return. In general, students will not be permitted to leave school the last period of the day because they have a study hall. This rule also applies to students 18 years and older.**

Building Leave Without Permission

When a student enters school property and then leaves school property before the hour of dismissal without the consent of the principal, that student becomes truant and cannot enter class until reinstated by the principal. Discipline will result.

Extracurricular Participation (Board Policy 5610.05)

Guidelines for extracurricular and athletic participation in practice and contests as a result of illness or other absences are as follows:

1. Practice - If an athlete is ill and comes to school, he/she is to be here at least 3 periods in order to practice. If an athlete leaves school anytime during the day as a result of illness, he/she is not to return for practice that evening.
2. Practice - Students who are absent from school for a reason other than illness may practice at the discretion of the coach. Each coach is to develop guidelines to cover absence from practice for reasons other than illness. The guidelines are to consider reasons and courses of action for unexcused absences. The rules are to be fair, consistent, and administered equally to all.
3. Game - Athletes must be in school at least three periods of the school day on the day of an athletic contest or the preceding day if the contest is played on a Saturday.
4. Game - Students who did not attend at least three periods on the day of a game or the preceding day, if the contest is played on a Saturday, must secure permission from the athletic director in order to participate in the athletic contest.
5. Tardiness to School - Arriving home late on a school night because of an athletic event or practice is no excuse to be late to school on the following day.

For more information in regards to participation in extracurricular activities, including interscholastic sports please see the [BWHS Athletics Handbook](#).

Withdrawal from School (Board Policy 5130)

Parents/Guardians are required to complete the BWLS Student Withdrawal Notice Form in the office of attendance to initiate the withdrawal process in Big Walnut. This signed form may be used to begin the process until at least one of the following preferred documentation methods are provided: 1.) a signed withdrawal form from a responsible party outside the district that includes the last date attended in the district and the name of the new district/school. 2.) documentation of notification from an ODE system that the student has enrolled in another Ohio district 3.) a hard copy or electronic records request from the new district/school with the date enrolled in the new school and/or the date the request was received. Parents/Guardians need to provide their new mailing address and contact information.

Course Fees

Some courses have a fee to cover breakage, loss of materials, and purchase of materials to be used. Students will not be permitted to attend the Prom nor permitted to participate in the BWHS Graduation Ceremony unless all school fees and obligations are paid. Students who are unable to pay school fees can obtain an indigent form in the office.

School Fees and Instructional Materials (Board Policy 6152)

School fees for the 2024-2025 school year are \$100.00 per student. Fees are due at the beginning of the school year. School fees are used for the annual purchase of consumable items (i.e. workbooks) and software subscriptions for individual students. Additional fees may be charged for AP level courses, band, choir and DACC classes offered at BWHS, see below. Students attending DACC half day will have the \$100.00 fee prorated. Payments may be made using our online payment system on the district website: www.bwls.net (select “PaySchools Central” under the “Parent/Community tab”), a credit card transaction at school, or by sending a check to school. Invoices will be sent on a monthly basis. Until fees are paid, students may not be able to participate in certain privileges. School fees are waived or reduced for those students who qualify for Free/Reduced Lunch.

A statement of your child’s fees will be sent home at the beginning of the school year. Payments should be made in full by credit card online or by check/money order to the school office. To view your fee account and make payments online, please go to PayschoolsCentral.com. If you are paying by check, please make it payable to “Big Walnut Local Schools.” We appreciate your prompt attention to school fees. At the discretion of the building principal, and upon approval from the treasurer’s office, students dropping a class, leaving the district early or enrolling late may have their fees adjusted in cases where the district does not incur additional costs or another funding source is identified. As an alternative to a refund, the fee may be transferred to the student’s food service account or pay to participate fees upon the building secretary receiving permission from the parent to do so. Students are responsible for instructional materials loaned to him or her, and are expected to return instructional materials at the end of the course. Students will be responsible to pay for any instructional materials that are damaged, lost, or stolen.

Homework (Board Policy 2330)

Homework may be assigned. The Board of Education acknowledges the educational validity of out-of-school assignments as adjunct to and extensions of the instructional program of the schools. "Homework" shall refer to those assignments to be prepared outside of the school by the student or independently while in attendance.

Field Trips (Board Policy 2340)

Field trips are an opportunity to participate in educational experiences beyond the regular classroom. Only classroom students and adult chaperones are permitted on field trips. Adult chaperones will be required to have a successful background check, prior to supervising any students on the trip. Permission slips signed by a parent or guardian must be on file in the office prior to the date of the trip. A telephone call giving permission is not a signed permission slip. Field trips are a privilege, not a right. A student's attendance and attitude are key factors in determining his/her participation in these educational opportunities.

Reporting Student Progress (Board Policy 5420)

Student academic progress will be reported to parents on consistent intervals throughout the year. Parent conferences and PowerSchool will be provided to keep parents informed of student progress. *PowerSchool* is the online tool that may be used by Big Walnut Local Schools to report grade information. This allows parents access to their child's academic progress.

Big Walnut implements a Response to Intervention (RtI) model to meet the needs of all students. Each student is universally screened in the areas of literacy and math three times per year. Data teams that are comprised of various professionals including but not limited to classroom teachers, intervention staff, and the school principal look at student data to determine the needs of students to receive support in academics and/or behavior. Throughout these interventions, the student's progress is monitored and will be communicated to the parents. If the educational team, which also includes the parents, has a concern about a lack of or stalled progress, a switch in intervention may be made or further conversation of meeting the student's needs may occur.

Commencement

Graduation and receipt of a diploma is a right that is earned through academic work and achievement. Participation in Commencement Exercises (Graduation Ceremony) is a privilege. Commencement exercises are held each year for the graduating class. Diplomas will be awarded to the students by the members of the faculty. Student attendance, achievement and behavior are paramount for participation in the Commencement Exercise. In addition, in order to take part in the senior commencement exercises a student must have school obligations paid in full to the Big Walnut Local Schools' Treasurer's Office.

Earning Credit Outside the Classroom

1. Any tutoring or alternative education credit to be earned, inclusive of but not limited to goals and graduate recovery to be used toward graduation requirements, either advanced or make-up, not completed by the fourth full week of the senior year must be started after the official graduation ceremony of the student's graduating class. If a student wishes to begin any tutoring or alternative education prior to graduation in their senior year they and their parent/guardian must sign a waiver form acknowledging they understand the policy and that the student will not be permitted to be a part of the current year graduation ceremony. Exceptions to this rule, which may allow the student to participate in the graduation ceremony tutoring or alternative education credit inclusive of but not limited to goals, graduate recovery, independent study, summer school, and homeschooling occurring as a result of deficient grades from Freshman through Junior year must be completed by the fourth full week of the Senior year of high school.
2. Only include:
 - A. Fifth year students whose intended graduation has already occurred.
 - B. Students who are unable to get all of the necessary credits scheduled within the normal periods in the school day.
 - C. Medically approved circumstances that do not allow the student to attend during the traditional school day. These and any other extenuating circumstances that would allow participation in the graduation ceremony must be approved by the administration prior to the beginning of the education and a waiver form must be completed.

Miscellaneous:

1. Independent Study- During the senior year cannot be done for required credits unless it has administrative approval. All tutoring and Independent Study must have the appropriate Educational Options form on file and be pre-approved by the administration. Educational Options form and details can be found on the [BWHS School Counseling website](#).
2. Any students participating in the graduation ceremony are required to have completed all graduation requirements prior to the graduation practice.

In order to qualify for consideration to the Big Walnut chapter of National Honor Society, a student must meet the following criteria:

1. Junior or Senior class status

Selection into the NHS is determined by the Big Walnut faculty. Selection and voting information is confidential and will not be released to either students or parents. Candidates must meet at least minimum requirements in all four areas to be selected as NHS members. *Members are subject to dismissal if they do not maintain the standards.*

Report Cards and Interims

Report cards and interims will be made available electronically to the student and their family through the online PowerSchool. Requests for paper copies of the report cards and/or interims can be made through the school counseling office. Previous nine-week grades will appear on each grade card after the first grading period.

Incomplete Assignment Policy

To receive consideration for full credit for an assignment, the assignment is to be completed satisfactorily and submitted by the due date.

Requirements for Passing a Course

A student must receive a passing average (60%) AND must pass at least two of the three factors that determine the second semester average. The three factors are: the third marking period grade, the fourth marking period grade, and the second semester final exam.

For semester courses, it would be the three factors that determine the final average: both marking period grades and the final. In a semester course where no final exam is given, the student must earn a passing average (60%) the second of the two marking periods in order to earn a passing grade and credit for the course.

Failure to meet the above requirement will result in the student not being granted credit for the courses regardless of the grade achieved. A final grade of "F" is to be given.

Should a student not pass two of the three factors, the student will have one additional opportunity to earn course credit by completing the appropriate requirement listed below:

- **Requirement One:** When the final exam and one grading period have been failed, the student can either successfully retake the final or complete summer school.
- **Requirement Two:** When two grading periods have been failed, the student must complete summer school.

A student will have only one opportunity to earn the credit. The student must complete the appropriate requirement by the last day of the first marking period of the next school year. If a student does not complete one of the requirements in a timely fashion, the student grade of "F" in the course will remain.

Students who earn less than 50% for a quarter may have the opportunity to work with the teacher to raise the grade to a 50%.

Schedule Changes

Schedules can be viewed in PowerSchool in August. Students may request changes for elective classes only until the Friday before the start of the school year. No teacher, lunch, or core academic change requests will be honored. Schedule changes for second semester courses must be made prior to winter break. Selective changes may be made the first week of school.

The administration reserves the right to make any schedule changes that are in the best interest of the learning process at Big Walnut High School. Please refer to the [BWHS Program of Studies](#) on the [BWHS School Counseling website](#) for further details.

Dropping a Course

A student has until the second Friday of the semester to drop the course with no grade repercussion. After this deadline the student will fail the class regardless of the grade average, unless an administrative committee grants an appeal. This process is initiated by the completion of the appropriate paperwork with the school counselor.

Early Graduation

Each year, a certain number of students wish to accelerate their courses of study in order to complete high school in less than four years. In order to meet the needs of the students while also maintaining the standards of Big Walnut High School, the following guidelines have been developed.

1. The student must notify the School Counseling office that they request to graduate early.
2. The parent of the student applying for early graduation must sign the application, thereby designating approval.
3. The student applying for early graduation must satisfy all the graduation necessary for graduation from Big Walnut High School.

College Credit Plus (CCP)

Ohio's College Credit Plus (CCP) lets your child earn college and high school credits at the same time. Students may take college courses from colleges and/or universities while still in grades 7th through 12th. This program is meant to promote rigorous academic pursuits and to give college-ready students a wide variety of options. Taking a CCP course from a public college or university is free, meaning you do not pay for tuition, books, or fees. Taking classes at a private college or university may result in limited costs. The designated points of contact are your counselors at Big Walnut High School or Middle School. The application deadline and high school GPA/testing requirements must be met to participate in CCP. College Credit Plus students must participate in any mandated state testing appropriate to their grade level. For additional information, contact the BWHS School Counseling office.

Middle School Courses and High School Credit

Big Walnut Local School District's Board of Education policy determines students' requirements for earning high school credit for a course taken in middle school.

Students in the Big Walnut Local School District must meet the following requirements in order to earn high school credit for Algebra I, Geometry, or Spanish taken in middle school:

- A student must receive a passing average (60%) AND must pass at least two of the three factors that determine the second-semester average. The three factors are: the third marking period grade, the fourth marking period grade, and the second-semester final exam.
- For semester courses, it would be the three factors that determine the final average: both marking period grades and the final. In a semester course where no final exam is given, the student must earn a passing average (60%) the second of the two marking periods in order to earn a passing grade and credit for the course.
- Failure to meet the above requirement will result in the student not being granted credit for the courses regardless of the grade achieved. A final grade of "F" is to be given. All of the other grades are to be listed as they were earned with no less than 50%.

The grade earned in a high school course taken in middle school will appear on the student's final high school transcript.

1. The credit earned in the high school course will be a permanent record on your student's transcript.
2. If the course has a corresponding Ohio State Test (OST) End-of-course exam, your student must participate; courses with exams are: Algebra I, Geometry, Biology, American History, American Government and English II
3. In the course of scheduling during freshman year, your student will have the opportunity to decide if grades earned in the Big Walnut High School course(s) taken in Middle School will show as a grade or a P (for Pass). This decision has multiple impacts and should be carefully considered.
 - a. A "P" on a high school transcript will not count towards a student's GPA but will still count as earning the course credit.
 - b. If a student would like to become a Division I or II College athlete, and the course taken at BWMS is needed for NCAA requirements, a "P" will be seen as the equivalent to a "D" grade (1.0).
 - c. Please complete the following form and turn it into the HS Counseling office. [Completion of Middle School Courses for High School Credit](#)
4. The score earned on the OST End-of-Course exam will become part of their permanent transcript and will count towards the points required for graduation.

School Counseling Department

All information regarding the School Counseling department can be found here: [BWHS School Counseling website](#). The school counseling department telephone number is 740-965-2243.

Any student requesting a copy of his/her transcript should complete a Transcript Request Form on the [BWHS School Counseling website](#).

Extracurricular Activities

Extracurricular activities are available to high school students who meet eligibility requirements. Students should be alert for announcements of meetings for these activities. Students may be removed from these activities for violations of the Code of Conduct.

Athletic Eligibility

Please refer to the [Athletic Handbook](#) on the BWHS Athletic Website for information.

Gifted Identification and Services (Board Policy 2464)

The State of Ohio requires gifted identification, however, it does not mandate comprehensive services for children identified as gifted. Big Walnut Local Schools follow the state term of "gifted" as students who perform or show potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment and who are identified following procedures and criteria established by the Ohio Revised Code, Section 3324.03.

If you wish to find out more about the "Big Walnut Policy and Plan for the Identification of Children Who Are Gifted" or "Gifted Education Services and Eligibility Criteria," please contact your child's school or the Big Walnut District office to obtain additional information.

Academic Promotion or Retention and Early High School Graduation (Board Policy 5410)

The promotion or retention of a student in any grade level should always be in the best interest of the student. The first consideration for student retention is the inability to meet at least minimum levels of knowledge and skills at his or her grade level. However, academics will not be the sole factor in the determination of retention. The student's age, maturity level, emotional and social development, and attendance will also be considered. Retention shall occur only if it is viewed as an opportunity for student growth. If deemed necessary, it should occur as early as possible in a student's educational program.

Students who wish to apply for early graduation should apply to the high school principal. Early graduation will be permitted if the student fulfills the graduation requirements and conditions for graduation. Students who choose early graduation may participate in the graduation ceremonies of their designated class.

Student Assessment (Board Policy 2623)

Big Walnut Local Schools follow requirements for all state mandated testing and assessments. Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests help the staff determine instructional needs. Classroom tests are given to assess student progress and assign grades. These are selected or prepared by teachers to assess student achievement on specific objectives. Career and interest surveys may be given to identify particular areas of student interests or talent. These are often given by the guidance staff. College entrance testing information can be obtained from the guidance office.

Parent/Teacher Conferences (Board Policy 5420)

Parent/Teacher conferences will be held 4 times throughout the school year. Conferences will be arranged through the high school office. Additional conferences may be arranged at other times throughout the year by request of the parent, teacher, school counselor or building administration.

Health & Medical Needs ([Table of Contents](#))**Immunization Requirements (Board Policy 5320)**

Your child must meet county and state health regulations for entrance to school, which includes compliance with immunization laws. Students will be excluded from school if the immunization requirements are not completed within 14 calendar days after the student's first day of school. Written statements of objection to immunizations due to parent/guardian philosophical or religious reasons must be provided to the school and are kept on file in the student record. An exemption from immunizations related to medical reasons must be signed by the child's physician and will be kept in the student file. Exemption forms are available on our district website <http://www.bwls.net/FormsLinks.aspx>.

Emergency Medical Authorization Form (Board Policy 5341)

Parents/Guardians are required by state law to complete an Emergency Medical Authorization Form. These are kept on file in the school office. This form must be on file in order for a student to participate in an activity off school grounds, including field trips, athletic and other extracurricular activities. The Emergency Medical Authorization is provided at the time of enrollment or each school year and must be completed every school year thereafter. Please note when listing person(s) as emergency contacts, it is recommended that those contacts are in close vicinity of the school building in the event that the student would need to be picked up from school if you are unable to be reached.

Dispensing Prescription and Over the Counter Medication (Board Policy 5330)

Big Walnut Board of Education wishes to cooperate fully with students, parents and medical professionals to ensure that students receive any required medication during the normal school day at the time which it is required, however it is ideal that medications be given at home if at all possible. Guidelines have been established to ensure the control of authorized drugs within the schools and to ensure the health and welfare of students.

A "MEDICATION ADMINISTRATION FORM" must be on file in the office for any **prescribed** or **over the counter medication (OTC)** to be dispensed to your child. OTCs include but are not limited to pain medication (Tylenol, Advil, etc.), cold medication (Mucinex, Sudafed, etc.), and cough drops. Medication brought to school must be in the original container and must be brought to school by a parent or parent designee. Medication cannot be sent to school with the student. Prescription medications must be kept in a pharmacy container with the student's name and match the physician's written orders on the Medication Administration Form. For over the counter medications, the dosing must match manufacturer's suggested dosing. All medication will be stored in a secure location in the office and dispensed by the principal or his/her designee. A medication log is maintained in the office including student name, type of medication, date and time medication is administered, amount provided and the expiration date of the medication.

In some instances, students are permitted to carry certain prescription medications (i.e. epinephrine) with them while in school or attending a school sponsored function. If the physician feels that it is medically necessary for the student to carry the medication and the student has demonstrated the ability to safely self-administer the medication, the physician must provide documentation providing authority to do so. If the student requires emergency medication to be kept at school, the appropriate Emergency Action Plan is to be completed and signed by the physician and parent/guardian. If the student is found to use the emergency medication in an inappropriate manner, Administration has the authority to confiscate the medication and notify parents and the physician to arrange for alternative means of administration.

Medical Plans must be provided to school every year or anytime a change has occurred. The plan must be signed by a physician.

Any medication that is not picked up by the parent/guardian at the end of the school year, will be appropriately destroyed by the district nurse.

Medical forms are available in the school office or on our district website at www.bwls.net, expire at the end of the school year.

Any student who distributes medication of any kind or who is found in possession of unauthorized medication is in violation of the Big Walnut Local School's Code of Conduct and will be disciplined in accordance with the drug-use provision of the Code.

Student Illness

Your child needs to be free of vomiting, diarrhea and/or fever-free (less than 100.0) without medications for 24 hours before they can come or return to school. Students with an unexplained rash will need a note from a physician stating that they are not contagious and may attend school. Students will be sent home with any of these symptoms, in order to prevent spreading illness among our students and staff. If you have any questions or concerns, please feel free to contact district nurse, Megan Truax.

If your child has an allergy or has specialized medical needs, please notify the district nurse, Megan Truax RN, or your child’s teacher, or school office. If your student is transported to school by bus, the bus drivers should also be provided with this information. Each year Food Service must have an updated statement from your physician documenting the specific food allergy and acceptable substitutes in order to make accommodations within the National School Breakfast and/or Lunch Program.

Food Brought to School

Safety of our students is a top priority each day. Non food treats are a safer, healthier alternative. In an effort to further promote the safety of all students, there will be no food treats allowed in Big Walnut Schools, unless it is part of a school celebration (harvest/valentines) and/or approved by the building Principal. Food items being brought/sent in for other students must be nut-free (no peanuts, tree nuts, etc.), and cannot be processed in facilities that process nut products (as noted on any labels).

Latex Free Environment

Student Code of Conduct [\(Table of Contents\)](#)

Administrative Policies (Board Policy 5500)

It is difficult to have a rule and/or policy stated in the student handbook that will cover every possible situation that might arise. Therefore, the administration has the right to develop and implement a rule or policy not stated in the student handbook, and to modify existing policies/rules in order to deal with a particular problem. To the extent possible, the administration will announce the new policy via the public address system, and post the new policy on the office window. The administration has the right to invoke the policy prior to it being either announced or posted.

Per Ohio law, this disciplinary code of conduct will be in effect:

- (1) On school grounds during, before, or after school hours
- (2) Off school grounds at a school activity
- (3) On school buses at any time
- (4) Off school grounds if it is connected with school activities or incidents occurring or being initiated at school, or on school property or is directed at school district personnel, regardless of location or the property of school district personnel.

Routine Disciplinary Problems

The philosophy of the Big Walnut High School is that the classroom teacher should handle the discipline problems in the classroom. Any rules that the teacher has for the efficient operation of the class, should be made known to all of the students. The classroom teacher should handle violations of general and specific class rules. Methods of discipline should be positive. Methods of discipline that could be employed by teachers might include teacher-student conferences, parent conferences, detentions, or other methods as determined by the staff.

Participation in extracurricular activities, including interscholastic sports, is a privilege and not a right. Students may be prohibited from all or part of their participation in such activities by authorized school personnel for offenses or violations of the Student Code of Conduct or Athletic Code of Conduct. Students prohibited from participation in all or parts of any extracurricular activity are not entitled to further notice, hearing and/or appeal rights. (Board Policy 5610.05)

Code of Conduct Rules

A violation of any of the following rules will result in disciplinary action including, but not limited to Detention, Community Service, Social Exclusion (such as non-attendance to events, dances and extracurricular activities), In-School Intervention (ISI), Extended School, Saturday School (SS), Emergency Removal, Suspension, and the recommendation for expulsion or court referral.

Closed Lunch

There is a closed lunch policy at Big Walnut High School. In general, students are not permitted to leave school grounds for lunch. Any student at lunch time or at any other time must secure permission from the principal to leave the school grounds. This permission will not be granted without a note from the parent. Permission to go home for lunch will be granted upon the written request of the parents to the principal, provided the student lives close enough to walk home for lunch and to return within the allotted time. Students who have written permission to go home for lunch must sign out. A student must go to his/her own home for lunch. A student may have this privilege revoked for misbehavior or other violations. This rule also applies to students 18 years and older.

Cafeteria Behavior

Because some classes will be in session during the entire lunch period, quiet must be maintained in the halls during that time.

- Students are to report to the cafeteria and must remain for the duration of the lunch period even if they choose not to eat.
- Each student must return his own tray to the disposal area and put trash in waste containers.
- Each student should replace his/her chair and leave his/her place at the table as clean as possible.
- Students who do not cooperate will be assigned lunchroom duties such as picking up litter, washing table tops, etc.
- Moving ahead of others in the lunch line is unacceptable.
- Stealing food or drink from the food areas will result in disciplinary action.
- All cafeteria tables should have no more than the designed amount of students and/or chairs to any lunch room table.

Please tell the cafeteria supervisor immediately when food or drinks are spilled.

At the discretion of the cafeteria duty teacher, high school juniors and seniors (only) may eat on the patio

during their lunch periods. Students are not permitted in unauthorized areas. Failure to obey this rule may result in school discipline.

In addition to the steps outlined in the District Emergency Operations Plan, our staff routinely trains on many of these procedures. The drills include fire, tornado and lockdown drills. In the event of a lockdown, parents will be notified via email, text, phone, and/or the

In its efforts to comply with Asbestos Hazard Emergency Response Act (AHERA), the Ohio Occupational Safety and Health Act (OSHA), and the Ohio Public Employment Risk Reduction Act (PERRA) the Board has developed a District Asbestos Management Program. Vacationing Parents

Each year some of our parents go on trips or vacations, leaving their children with friends or family. The school needs certain information in case something should happen.

Before you leave on vacation, the school must have a notarized medical consent form including:

- Child's name

- Name, address and telephone number of responsible adult

- Length of time the responsible person is in charge

- Parent's signature and date

- Any pertinent medical history or allergies not already included in required paperwork

Visitors (Board Policy 9150)

In order to properly monitor the safety of students and staff, each visitor must report to the school office upon entering the school to sign in and obtain a visitor's pass. Visitors will be required to provide a driver's license or other form of identification. Any visitor found in the building without a visitor badge will be asked to return to the office. As part of our commitment to safety and security, we utilize Raptor as our trusted visitor management system. Raptor is a state-of-the-art technology designed to enhance our building's overall security measures. This system allows us to efficiently screen and track all visitors entering our premises, ensuring a secure environment for everyone. By implementing Raptor, we prioritize the well-being of our community members and maintain a vigilant approach to safety.

In order to protect our educational process and promote the safety of our students, we ask that visitors

respect our learning environment and minimize the disruption of learning by remaining in scheduled areas. If parents wish to meet with a member of the staff, they should call for an appointment prior to coming to the school, in order to prevent any inconvenience to parents/staff or disruption of the learning process. Students may not bring visitors to school without first obtaining permission from the building principal.

Volunteers (Board Policy 4120.09)

All volunteers who work with children on a regular basis need to display appropriate behavior at all times and will be required to provide a successful background check, prior to working with students. Additional information about school volunteering can be found on the district website.
