From Kim re: Student Correspondence

Hello All! I've heard from several teachers that myriad parents are asking for help to pass out and/or coordinate birthday invites or parent contact information. Unfortunately, 2024 does not offer the White Pages. PRE does not have a student directory, we cannot share personal student information (FERPA law), we cannot play courier passing notes/contact info back and forth and we do not pass out invitations to only a select few in the class because of the turmoil it causes. This definitely provides a roadblock for birthdays and playdates compared to "the old days" but it needs to be problem solved outside of the school walls. It stinks.. it's hard... I get it. Thank you for understanding. Reach out to me if you need further clarification. Thank you, Kim. :)
