COMMENTS: We are on target with our annual estimates. We are noting significant increases compared to last year in this line due to increases in utilities and insurance costs for our additional buildings on top of general inflationary increases from most service providers. We have planned for increases in these areas in our fiscal year 2025 budget, but we will have to watch this cost area throughout the year.

COMMENTS: We are on target with our annual estimates. We are noting significant increases compared to last year in this line specifically due to bus fuel and our software subscriptions on top of general inflationary increases for many supply and material items. We have planned for increases in these areas in our fiscal year 2025 budget, but we will have to watch this cost area throughout the year.
