Dear Souders Families and Friends:

Thanks to our families that attended last evening's STEM/Literacy night. We have such great support at Hylén Souders. I always look forward to having families in the building. A big thank you to our staff that volunteered. Have great Friday and great weekend. Stay healthy.

Mr. Cox

*Our District has an operational levy on the ballot on March 17. This ballot issue **will not raise taxes**; it is a continuing levy that would replace a levy that is set to expire at the end of 2020. This levy represents 12% of our budget, and it is crucial in funding daily expenses such as teachers, utilities, and supplies. To vote in the election, voter registration must be completed or updated by February 18. For more information, please visit the levy page on our website: [March 17, 2020 Levy Information](#)*

Our Valentine parties are less than a month away. Have you completed a background check? Have questions? Here is more information...
