Dear Souders Families and Friends:

As we plan for 2020 and beyond, we are asking ourselves, "In a rapidly changing and complex world, what are the skills and characteristics our students need to be successful after high school?" Our goal is to answer and solve this question by developing a Big Walnut Portrait of a Graduate, which is a collective community vision of what it means to be a Big Walnut graduate who will be successful in the 21st century.

Our Academic Advisory Committee, comprised of 30 community and staff members, will be using data from this survey to develop our Big Walnut Portrait of a Graduate. This visionary tool will provide strategic direction as we make decisions for our students.

Please take our Portrait of a Big Walnut Graduate Survey below:

Thank you for taking time to provide your input!

Our next weekly update will be posted on December 6. Have a safe and relaxing Thanksgiving break.

Mr. Cox

Quote of the Week:

"It turns out if you aren't worried about rejection, image, or ego, there is little to fear in the failure and everything to gain in the opportunity."

Brian Kight

Our HOLIDAY MEAL will be on December 12th. The menu reads as follows: Turkey and Dinner Roll, Mashed Potatoes with Gravy, Green Beans, Strawberries, and Jolly Frozen Fruit Treat!

If parents go to the parent section of BW Food service it will NOT show this meal.

Above Right: The second grade students generated three research questions about a country they chose with a partner. They are researching the answers to their questions. They will then write an informational paragraph to answer each question using the research they found.

Candy Cane Lane(Holiday Shop) will be here before you know it (December 17&18) please make sure you have your background check done if you plan to volunteer. If you're new to Souders it's where the kids get to shop for any or all family members including dogs and cats. Everything is \$2. I have over 5000 items so far.
