A Note to You

Hey, MP! Oh wow! What a GREAT event we had last Friday evening! The Kids Night Out: Back to School Bash was just a great night to be a kid. They had the run of the school (in a controlled, safe, and managed way!) and seemed to have a blast. Thank you to all who brought their child(ren)... we made a little under \$3,000. Wow! PTO promises to use it well to provide great opportunities for students, staff, and families. Get ready for a great HOCO week... it is one of the BEST and most fun. We love teaching our little eaglets about school spirit and BW pride. Take care until we see you next week at our BW Carnival. -Kim. :)
