

Eagle Extensions: BWE

About Eagle Extensions

Eagle Extensions is an enrichment program for Big Walnut students currently in grades kindergarten - 6th grade. Clubs will be filled on a first come, first serve basis. Clubs with less than 15 registered students will be cancelled. Hometown ticketing will be used for all signups and payment will be taken at the time of sign-up.

Oct. 30 (Lasts for 5 weeks)

Registration opens Oct. 2

Coding

Tuesdays, 3:30-4:30

Grades: KG - 2

Teacher: Mrs. Wolf

If you would like to learn the basics of coding then this is the club for you! We will be using different robots to code such as the Sphero Indi! Come join us for some coding fun!

(\$46)

LEGO Club

Mondays 3:30-4:30

Grades: KG-2

Teacher: Mrs. Wolf

If you love Legos then this is the club for you! We will be creating with Legos and having competitions! Come join us for some Lego fun!

(\$32)

Coding with Mr. C

Wednesdays and Thursdays, 3:30-4:30

Grades: 2-4

Teacher: Mr. Clewell

In our time together, we will work on problem solving, creating and exploring the digital world of coding. In each hour-long session, we will be engaging our students into different creations and projects, from creating videos games to coding dance parties. We will be using Code.org, Codespark and Scratch during our sessions. Each of these are slightly different forms of the Blockly Coding language, an age appropriate coding language for elementary students.

(\$20)

- Normal classroom behavior is expected. Eagle Extensions are intended to be a fun learning experience. The instructor will write up disruptive behavior and the student will be verbally warned. Continuous disruptive behavior will result in permanent dismissal from the class. Parents will be notified by the Eagle Extension Coordinator of their child's dismissal.
- All other school rules and regulations found in the student handbook apply to Eagle Extensions.
