A note from Mr. Cox...

Before break, we held our school-wide career connections event. We had representatives from Big Brothers, Big Sisters, Velvet Ice Cream, Chemical Abstracts and Discover join our students virtually.. They shared a little about themselves, their education and their careers. Students were able to ask questions and get a taste of different careers.

Souders Spotlight...Mrs. Throckmorton and Mrs. Schneider, building secretaries

We're in the homestretch! We have about 6 weeks left of the 2020/2021 school year and though it's been very different from past years, it's also been very memorable for many reasons. We'd like to send a shout out to our students for taking all the changes in stride & staying so positive. Thanks to our AMAZING staff who never fail to go above & beyond for our students. Last, but certainly not least, thank you to our PTO, parents & families who've supported all of us. We got this...Go Eagles!

Important

If your child will be late and will need to buy a lunch, please call ahead!

Send extra masks!
