2021-22 Preschool and Kindergarten Enrollment Information is Now Available

A note from Mr. Cox...

During the next several weeks all Big Walnut Students (Prek-12) will be taking a Panorama Survey. Panorama is a web based assessment platform for measuring Social Emotional Skills. It brings together social-emotional learning, a multi-tiered system of support, school climate, and student voice—all in one platform. The results of this survey will not be tied directly to students, the only identifier will be the students' grade level and current learning option (VLP or In-Person). Please reach out if you have any questions or concerns.

Souders Spotlight...4th Grade

Book Clubs have been a huge part of 4th grade Reading this year. It has been a great way to introduce students to new books and genres they would never have chosen themselves as well as a fun way to put the skills we are learning about literature in action! Students have really enjoyed being in their "club" and discussing great books!

Quote of the Week:

“You need only a brief moment of courage, to make a decision and act on something that could change your entire trajectory.”

Brian Kight

Bus Reminder...

Due to the pandemic and maintaining as much spacing as possible on our buses each day, students are required to ride their scheduled bus to and from school at all times. Changes to a student's bus schedule so that they can ride home with a friend or relative are not permitted. If your child's place of residence changes, please contact the school to ensure proper changes of their bus schedule.
