A note from Mr. Cox...

It seems like we haven't had a 5-day week in a long time...because we haven't. Our students (and staff) are ready for 5-day weeks and the consistency it provides, but our top priority is safety. Decisions to delay or close are not taken lightly, and we appreciate your flexibility. Have a great weekend.

Souders Spotlight...Art

Creativity certainly has not been cancelled this year in the art room! Our young artists continuously produced one-of-a-kind masterpieces as well as a few messes here and there. Kindergarten through fourth grade has explored a wide variety of mediums such as drawing, painting, printmaking, collage, and clay!

While there have been many changes this year, one exciting outcome has been the implementation of Artsonia. It's a free, safe and educational website containing the world's largest collection of student art. Parents, families, and friends can view the art online, leave comments, and order keepsakes featuring the artwork. I encourage you to check it out!

Quote of the Week:

"If you're the best version of yourself, and you love that version, what does it matter what anyone thinks?"

Training will be provided to all substitutes - potential drivers will receive all training necessary to meet licensing requirements for drivers. If you have any questions, please contact Ron McClure at 740-965-8967.
