**A note from Mr. Cox...**

Two weeks ago, we had our Valentine's parties. We missed having our families join us. The students had a great time. Here are some photos from the day.

**Souders Spotlight...2nd Grade**

Second Grade has been working hard on subtraction within 1000 with and without regrouping! We follow the workshop model which gives students the opportunity to collaborate, share their thinking, self reflect and work on skills that meet their needs. This model combines whole group instruction with hands-on learning, small-group opportunities and learning stations.

**Job Opportunities...**

Are you looking for a way that you can make a positive impact in Big Walnut Schools? The district is in need of substitute custodians, food service workers, and bus drivers. If interested, please visit our [Job Opportunities](#) page to apply.

Training will be provided to all substitutes - potential drivers will receive all training necessary to meet licensing requirements for drivers. If you have any questions, please contact Ron McClure at 740-965-8967.
