A note from Mr. Cox...

We started our grade level meetings this week and those meetings will continue into next week. Part of those meetings entail looking at student placement for next year. If you have questions about student placement for next year, or your child's progress, reach out.

Souders Spotlight...PTO

This year we've leaned on our PTO in different ways than before. They purchased lanyards and buttons at the beginning of the year, lots and lots of books throughout the year, spiced up the teacher's lounge and building entrance, and on and on. We wanted to close the year with PTO night at the movies. We are hoping for good weather and hoping to see you on the 21st.

Important Reminders

- Send in water bottles.
- Any change in transportation must have a note and from all parties involved.
- Pack extra masks.

Quote of the Week

As different as we are from one another as unique as each one of us is, we are much more the same than we are different. That may be the most essential message of all, as we help our children grow toward being caring, compassionate, and charitable adults."

Mr. Rogers.
