**A note from Mr. Cox...**

It is hard to believe this is the final newsletter for the 2020-2021 school year. While many words could be used to describe the year, unique is the word the keeps coming to mind. When I retire, this school year won't be a chapter, it will be several chapters, in my book. I've said it many time before, but again thank you for being flexible this year. We couldn't have done it without you.
