My name is Brady Prugh and I am the new PE Teacher. This is my 7th year in education, and 4th here at Big Walnut. I am so excited to be working with your students!

This month, we have been working on the skill of throwing. We are focusing on the critical elements of stepping with our opposite foot, and having a sideways starting position to your target, to gain more POWER on our throws. Check out the pictures below from some of our games that we have played to help enhance this skill.

### Quote of the Week:

Some things are loved because they are valuable; some are valuable because they are loved."  
Ian Pitt-Watson

Due to the pandemic and maintaining as much spacing as possible on our buses each day, students are required to ride their scheduled bus to and from school at all times. Changes to a student's bus schedule so that they can ride home with a friend or relative are not permitted. If your child's place of residence changes, please contact the school to ensure proper changes of their bus schedule.

Big Walnut Schools are committed to seeking out our military connected families and assisting those families as needed. Should an immediate family member currently be serving in the military, please let us know. Please complete the [Military Connected Student Information Form](#).

We have several events each year to bring our military connected families together. Please check our district website and weekly newsletters for additional information on those events.

Are you looking for a way that you can make a positive impact in Big Walnut Schools? The district is in need of substitute custodians, food service workers, and bus drivers. If interested, please visit our [Job Opportunities](#) page to apply.
